

# **Summary of Comments Received Against New Ethernet Applications Endorsement Letter & ICAID and Proposed Responses**

**IEEE 802.3 NEA Ad hoc  
IEEE 802 July 2022 Plenary Meeting**

**John D'Ambrosia,  
Vice-Chair, IEEE 802.3 NEA Ad hoc  
Futurewei, U.S. Subsidiary of Huawei  
13 July 2022 Electronic Meeting**

# Introduction

- **This presentation summarizes the comments received against P802.3df project documentation the 802.3 Industry Connections - New Ethernet Applications, Endorsement Letter & ICAID and proposes responses.**
- **Two Comments Received (detailed on next pages)**
  - **802.11**

# Comment from 802.11

## ■ **Comment –**

- **8.3 Initial Participation – The Instructions indicate that 5 unique individuals with unique employers/affiliations are required. Only 4 individuals are listed, but less than 4 unique affiliations.**

## ■ **Proposed Response –**

- **Solicitation of individuals interested in being listed as initial participants has continued since the submission of the IEEE 802.3 New Ethernet Applications Industry Connections Activity Initiation Document (ICAID) for consideration at the July 2022 plenary. A total of 40 individuals from 24 different affiliations have indicated their initial participation in this Industry Connections activity.**

# Comment from 802.11

## ■ Comment –

- **8.4 Suggest removal of the black text after the “if yes” option as it is not needed ( you replied “no”).**

## ■ Proposed Response –

- **Reject. The noted text is part of the ICAID form ([https://standards.ieee.org/wp-content/uploads/import/documents/forms/icaid\\_form.doc](https://standards.ieee.org/wp-content/uploads/import/documents/forms/icaid_form.doc)).**
