Chair noted that the slide set had been provided in advance along with the agenda.

Agenda – chair asked if there were any comments on the agenda. There were none. Chair asked if there were any objections to the agenda, there were none, and the agenda was considered approved.

Chair reviewed IMAT information for call.

Minutes - chair displayed the minutes from 01 June 2022:

It was noted that the secretary's first name was misspelled. The Chair asked if there were any other comments, there were none. Chair asked if there were any objections to approving the minutes, there were none, and the minutes were considered approved as amended.

The chair stated that he felt last week's meeting had helped moved the effort forward and asked Mr. D'Ambrosia if he had any comments. Mr. D'Ambrosia observed that he felt it would be better moving forward if the two groups worked together, as opposed to talking at each other.

**Presentation #2            CTF Background and Clarifications**

Presenters                 Johannes Specht
