

Pattern A

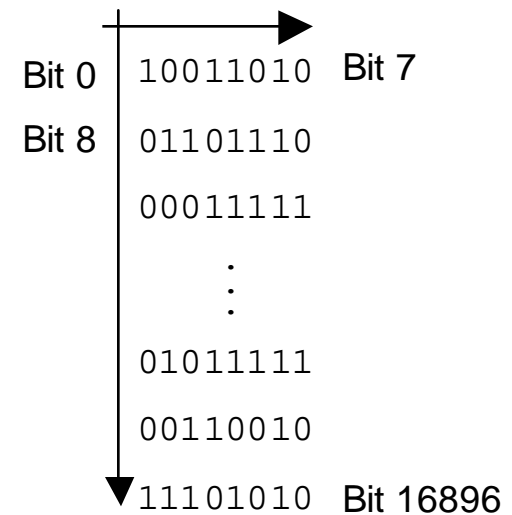

- Data = zeros
- Seed (S0 ... S57):

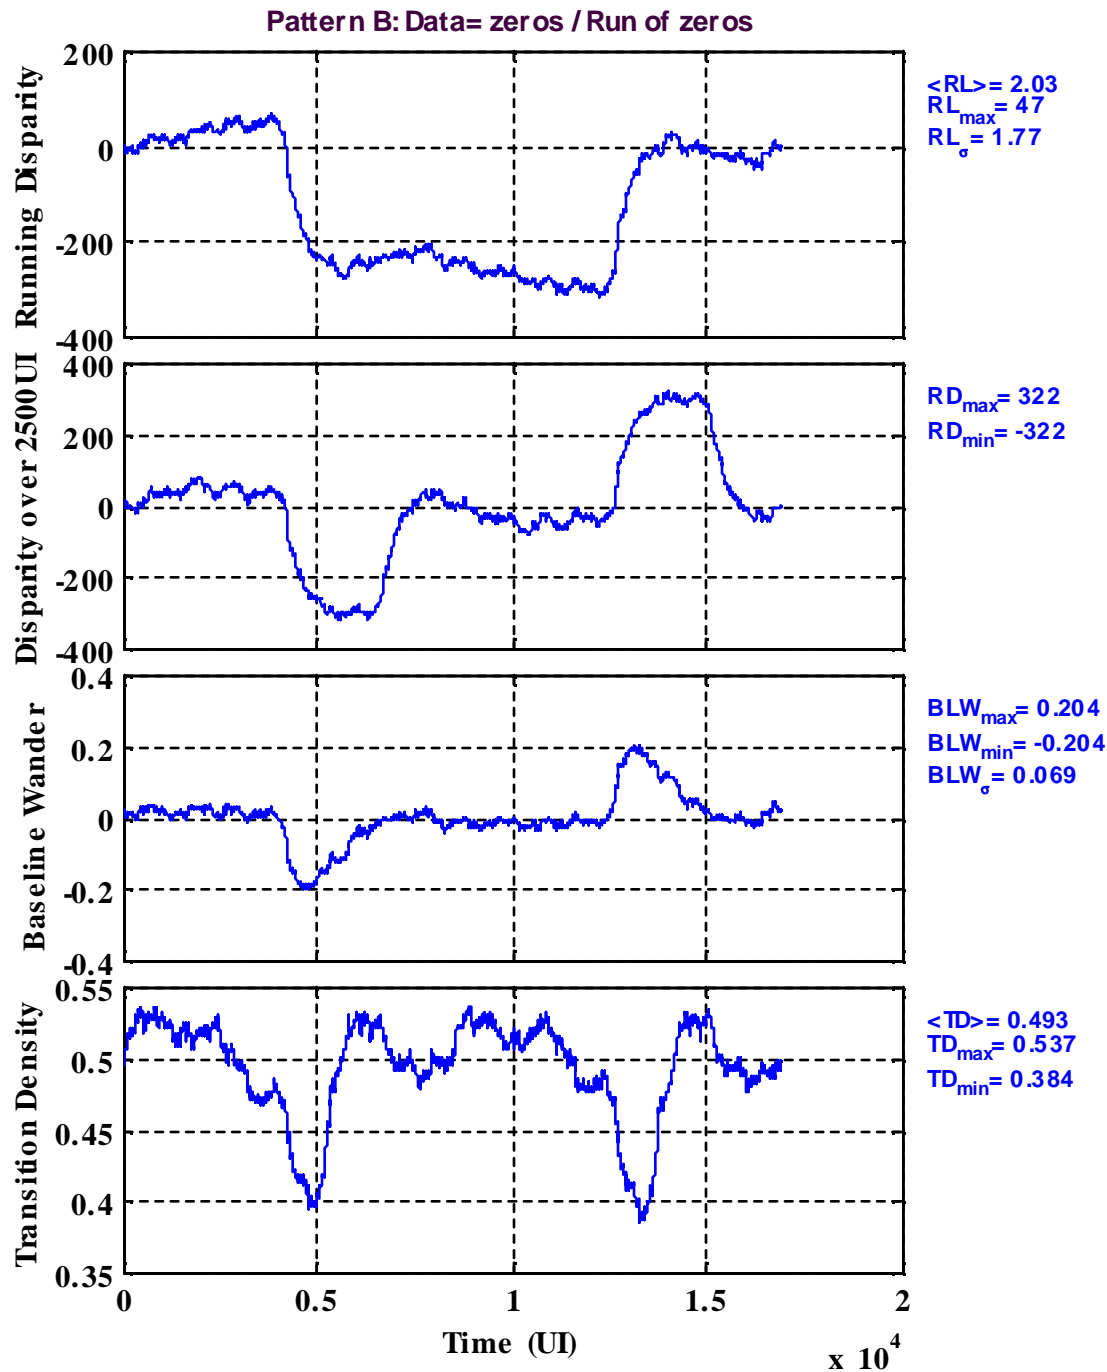

```

11110010000000010110
11010101001110110010
001011010001001111

```

Transmission Order

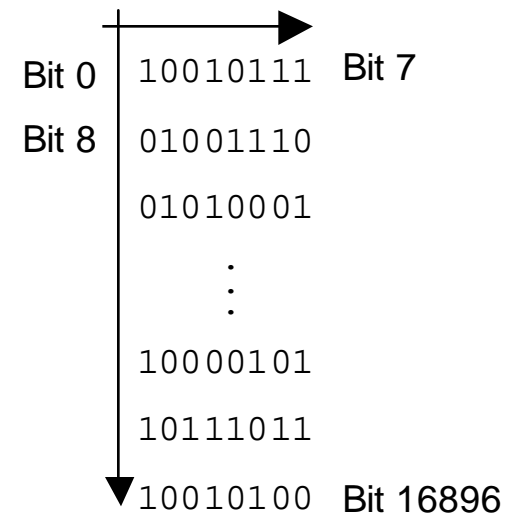

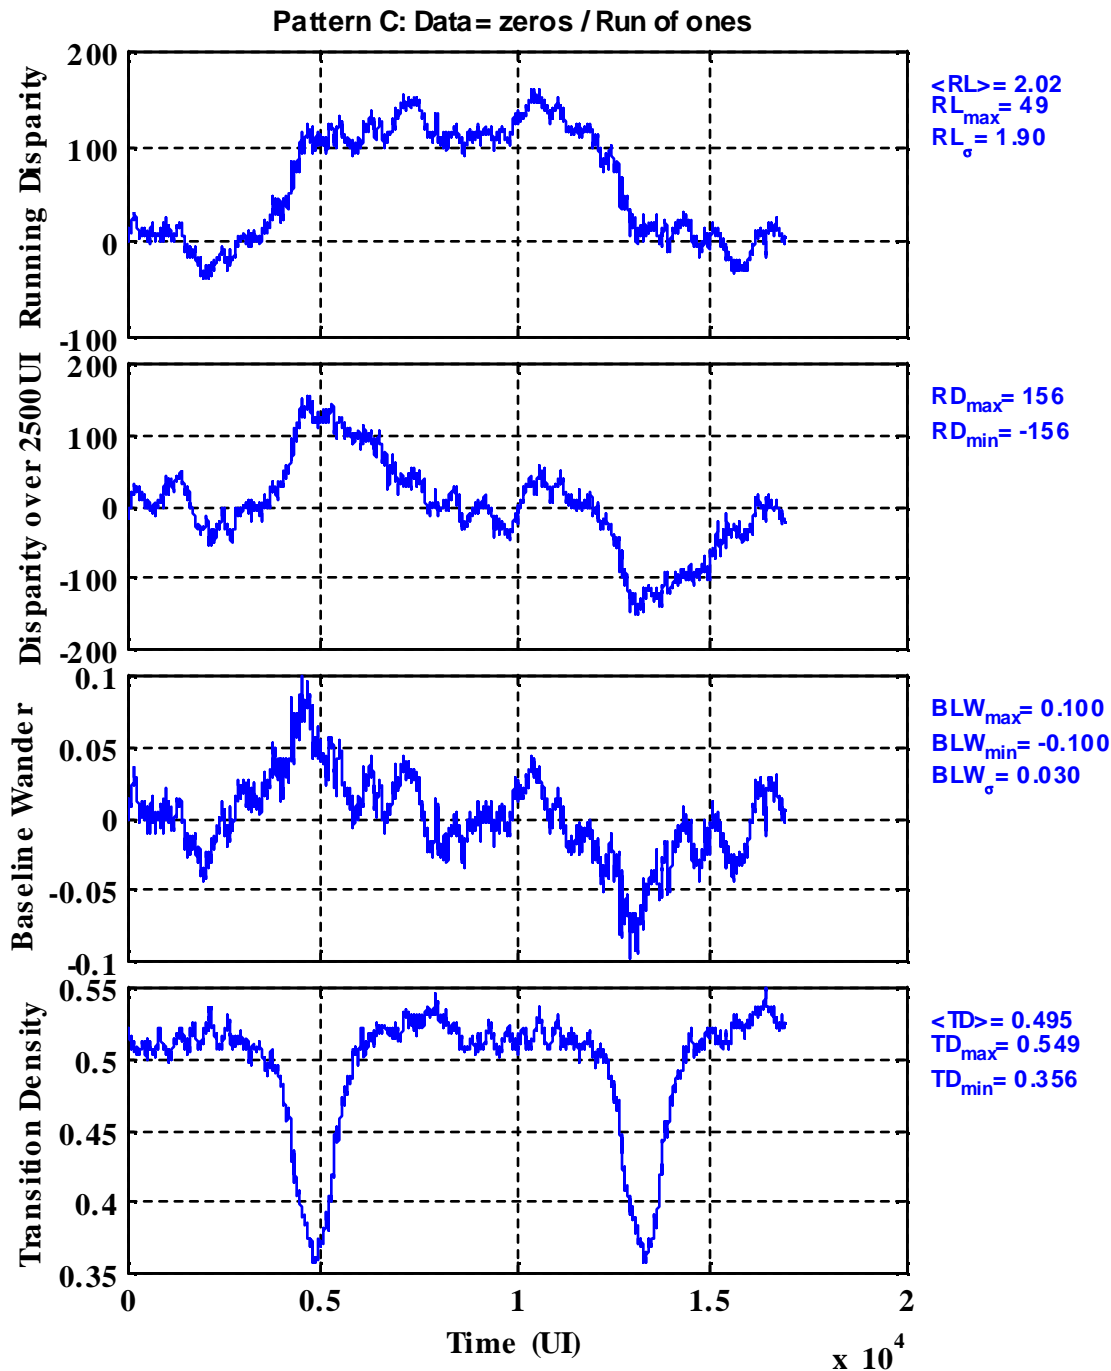

Pattern B

- Data = zeros
- Seed (S0 ... S57):
11001110001110011101
11001111001100110011
001110010100100011

Transmission Order

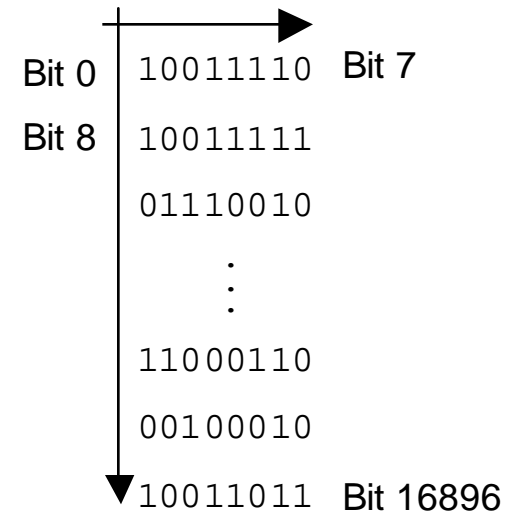

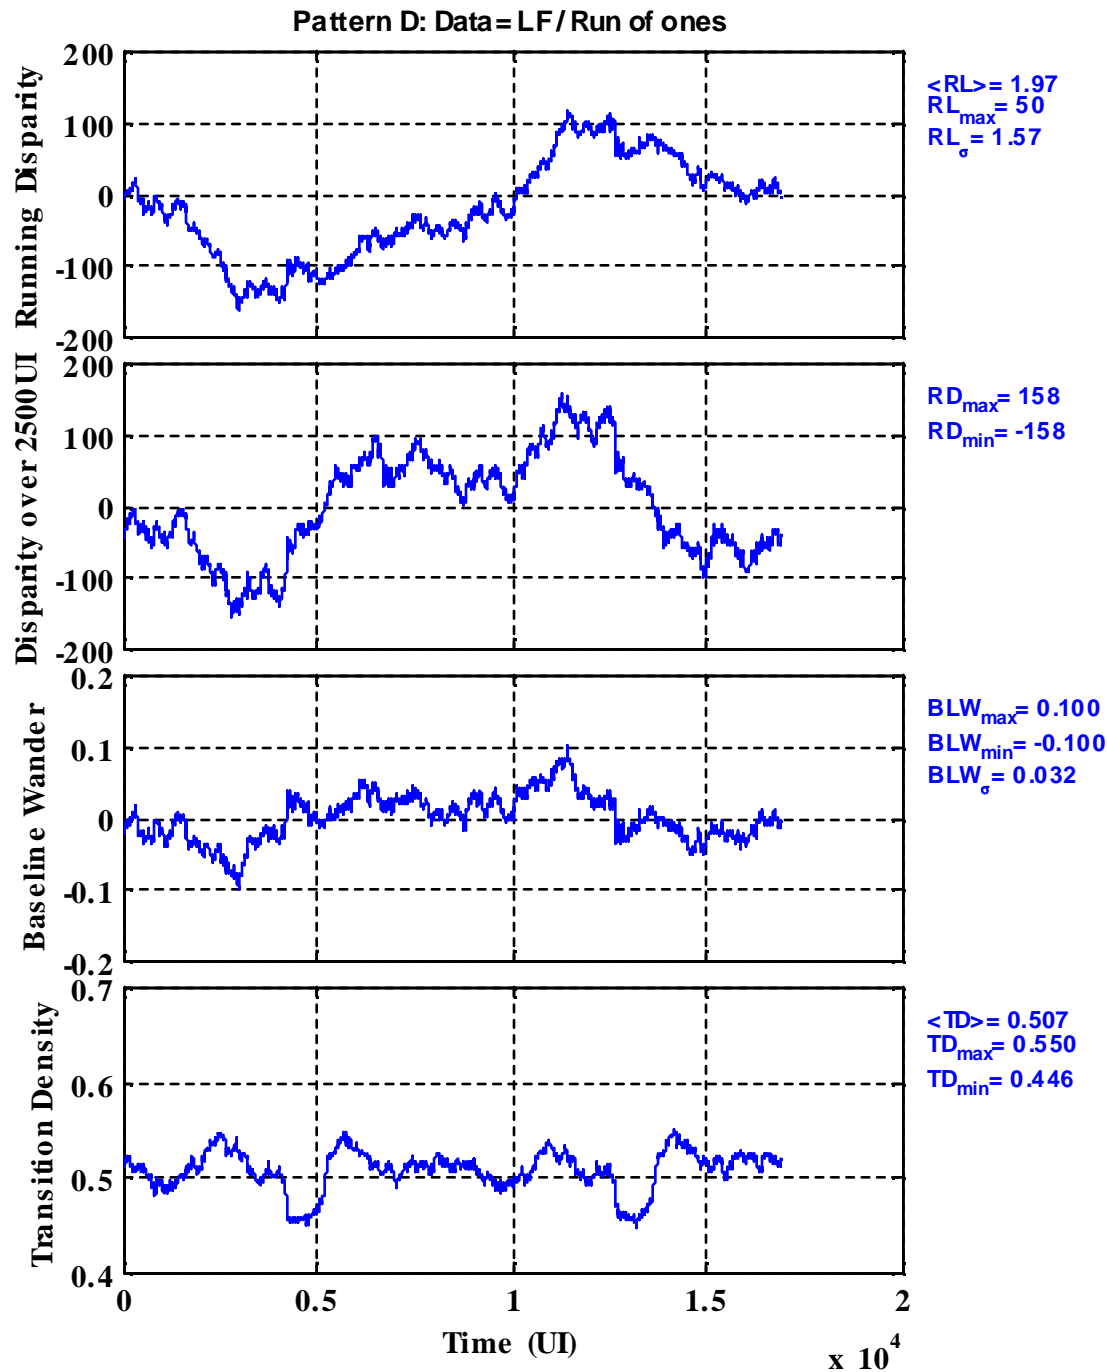

Pattern C

- Data = zeros
- Seed (S0 ... S57):
01010001010100101011
00110101111000100010
100001000101001111

Transmission Order

Pattern D

- Data = LF
- Seed (S0 ... S57):
00100001000100011100
01011010000111011101
011000001001001011
