# ***TIA TR-42 Meetings***

- **TR-42.7 has held one interim meeting since the last IEEE 802.3 update in July**
- **July 10 - 11, 2007 in Mystic, CT**
  - **Resolved category 6A ballot comments**
  - **Approved document for 45-day default ballot:**
    - **New annex G and H text (Connecting Hardware Test Procedures and Measurement Fixturing)**
    - **Technical change and affirmation of rejected technical comments**

# ***SP-3-4426-AD10-D-1, d8.0***

- **AD10 (category 6A default)**
  - **1<sup>st</sup> default ballot will close on September 17, 2007**
  - **Comments tasked for resolution during the Palm Springs, CA meeting on September 24 - 26**
  - **It is reasonable to expect this ballot cycle to be followed by a final default ballot, thus supporting '568-B.2-10 approval for publication in December of 2007**
