Next Steps and Dates

- Adopt remaining baseline proposals
 - This will improve chances of maintaining our schedule
- Refine baseline proposals as needed
- Compile proposed text for adopted baselines for consideration as baseline draft

- Plenary week of July 14th – Adopt remaining baselines
- August 25th – Goal for preview version of the proposed text released to the TF
- Interim week of September 15th – Review and Approve D1.0

Thank You!
