

Logic Sub-Task Force Closing Report

IEEE 802.3ba TF
Chicago September 2009

Mark Gustlin – Cisco

Summary

- Thanks to the logic track editors: Ilango Ganga, Hugh Barrass, Arthur Marris and Steve Trowbridge
- Logic Track (Clauses 00, 01, A, 4A, 80, 99, 30, 31B, 45, 73, 74, 81, 82, 83)
 - Total Comments reviewed and resolved: 46 (T/TR/ER/Es)
- All open items have been closed, but we want to change the resolution of #75 change from 1000UI to 20000UI with the task force's consent

Top Issues Closed

- Top Issues closed:

#75, move per lane PRBS31 skew from 31 bits to either 20k UI or per lane random seed

#142, clarified PCS Lane mapping/sequencing rules in clause 83

Expanded several error counters
