### WEB Conference Info

**Web Conference URL:** <https://www.connectmeeting.att.com>  
**Meeting Number:** 8888586182 or 6467463029  
**Access Code:** 8236495

**Web Conference Instructions:** clicking on the URL above will take you to the AT&T TeleConferences Services site.

Enter the meeting number (8888586182), Code (8236495), your email address, first name, and last name; then click the "SUBMIT" button.

On the next screen click on the "PARTICIPANT" button.

After the Host has started the meeting you will see the "Select AT&T Connect Software" screen.

This will give you the option of installing the Participant Application or joining the meeting via a Web Application. Selecting the Participant Application is recommended. Once the applicaiton is loaded on your computer you should select the "Enter Event" button on the "Install the Participant application and enter the Event" screen. This will start the seperate Participant Application software and you will join the meeting.

After joining the meeting you should follow the instructions to bind your dial in audio line to the Participant application (this is typicall a sequence of eight numbers surrounded by "#" (example: #91028385#) .

**Installing the Participant application:** in the "Install the Participant application and enter the Event" screen select Option 1 "Install the application". Once the install file ("ATT\_Cinnect\_Setup.exe") has downloaded run it to install the application software.
