TDD sub-Task Force

- Charter date: 12/4/12
- Creating: Sub-Task Force name: TDD
- Sub-Task Force chair: Steve Shellhammer
- Charter
 - Continue work as started in law_01a_1112.pdf
 - Contribute recommendations to Task Force for approval:
 - Minimal augmentation to MPCP “logic” to support TDD operation mode for EPoC PHY
 - Communicate “operational needs” to PHY sub-Task Force and Task Force
 - E.g. delay and delay variation tolerances, CLT downstream transmitter control, etc.
 - Maintain approved MPCP clause amendments
- NOTES:
 - Task Force editor staff will coordinate draft work output
 - At interim and plenary meetings, when this sub-Task Force meets on a parallel track, the remainder of the Task Force continues to meet as the PHY sub-Task Force.
 - Otherwise follows same procedures as an ad hoc committee
