

IEEE P802.3ct Clause 30 Modifications Ad hoc Meeting

Ad hoc Teleconference Meeting, 30 November 2020

Unapproved Meeting Minutes, Prepared by Tom Issenhuth

Meeting called to order at 8:10 am PST (all times PST)

Presentation #1- IEEE P802.3ct Management

Presenter: David Law

URL: http://www.ieee802.org/3/ct/public/adhoc/20_1130/law_3ct_01_201130.pdf

Presentation generated good discussion on clause 30 in general and possible modifications.

There was consensus on the approach to take with the proposed modifications.

David Law will update the presentation addressing the consensus modifications for the next meeting.

Tom Issenhuth will implement the proposed modifications from the updated presentation in FrameMaker for review at the next meeting.

Several incorrect items in clause 30 were identified that were outside the scope of the 802.3ct project so they will be addressed in a maintenance request.

Next meeting scheduled for 7 am PST on December 7th.

Meeting adjourned at 9:55 am PST.
