

# IEEE P802.3cw Timeline Review

John D'Ambrosia

Chair, IEEE P802.3cw Task Force

Futurewei, U.S. Subsidiary of Huawei

14 March 2022

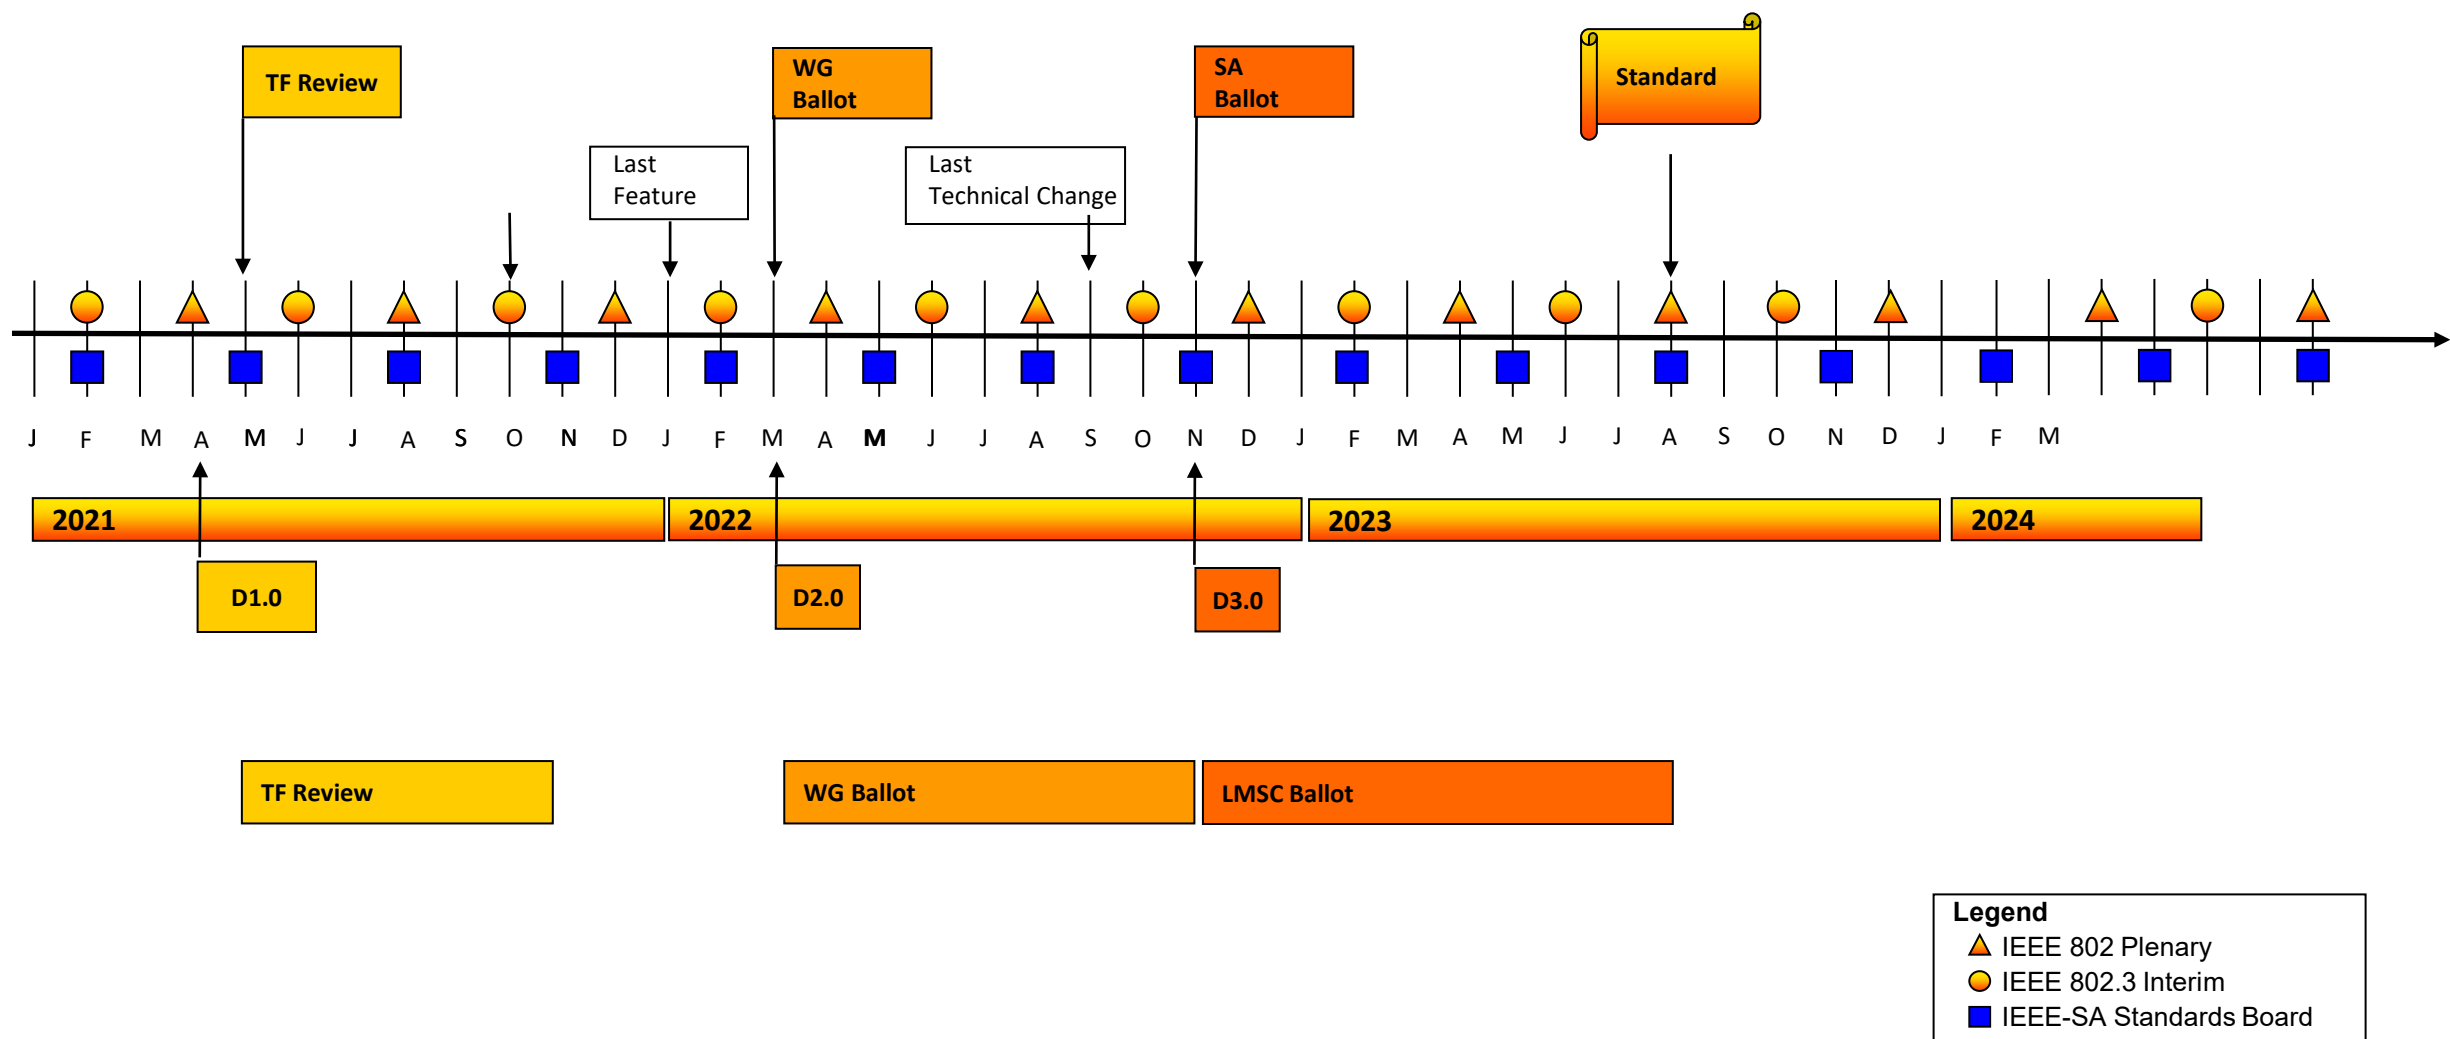

IEEE 802 March 2022 Electronic Plenary

# Introduction

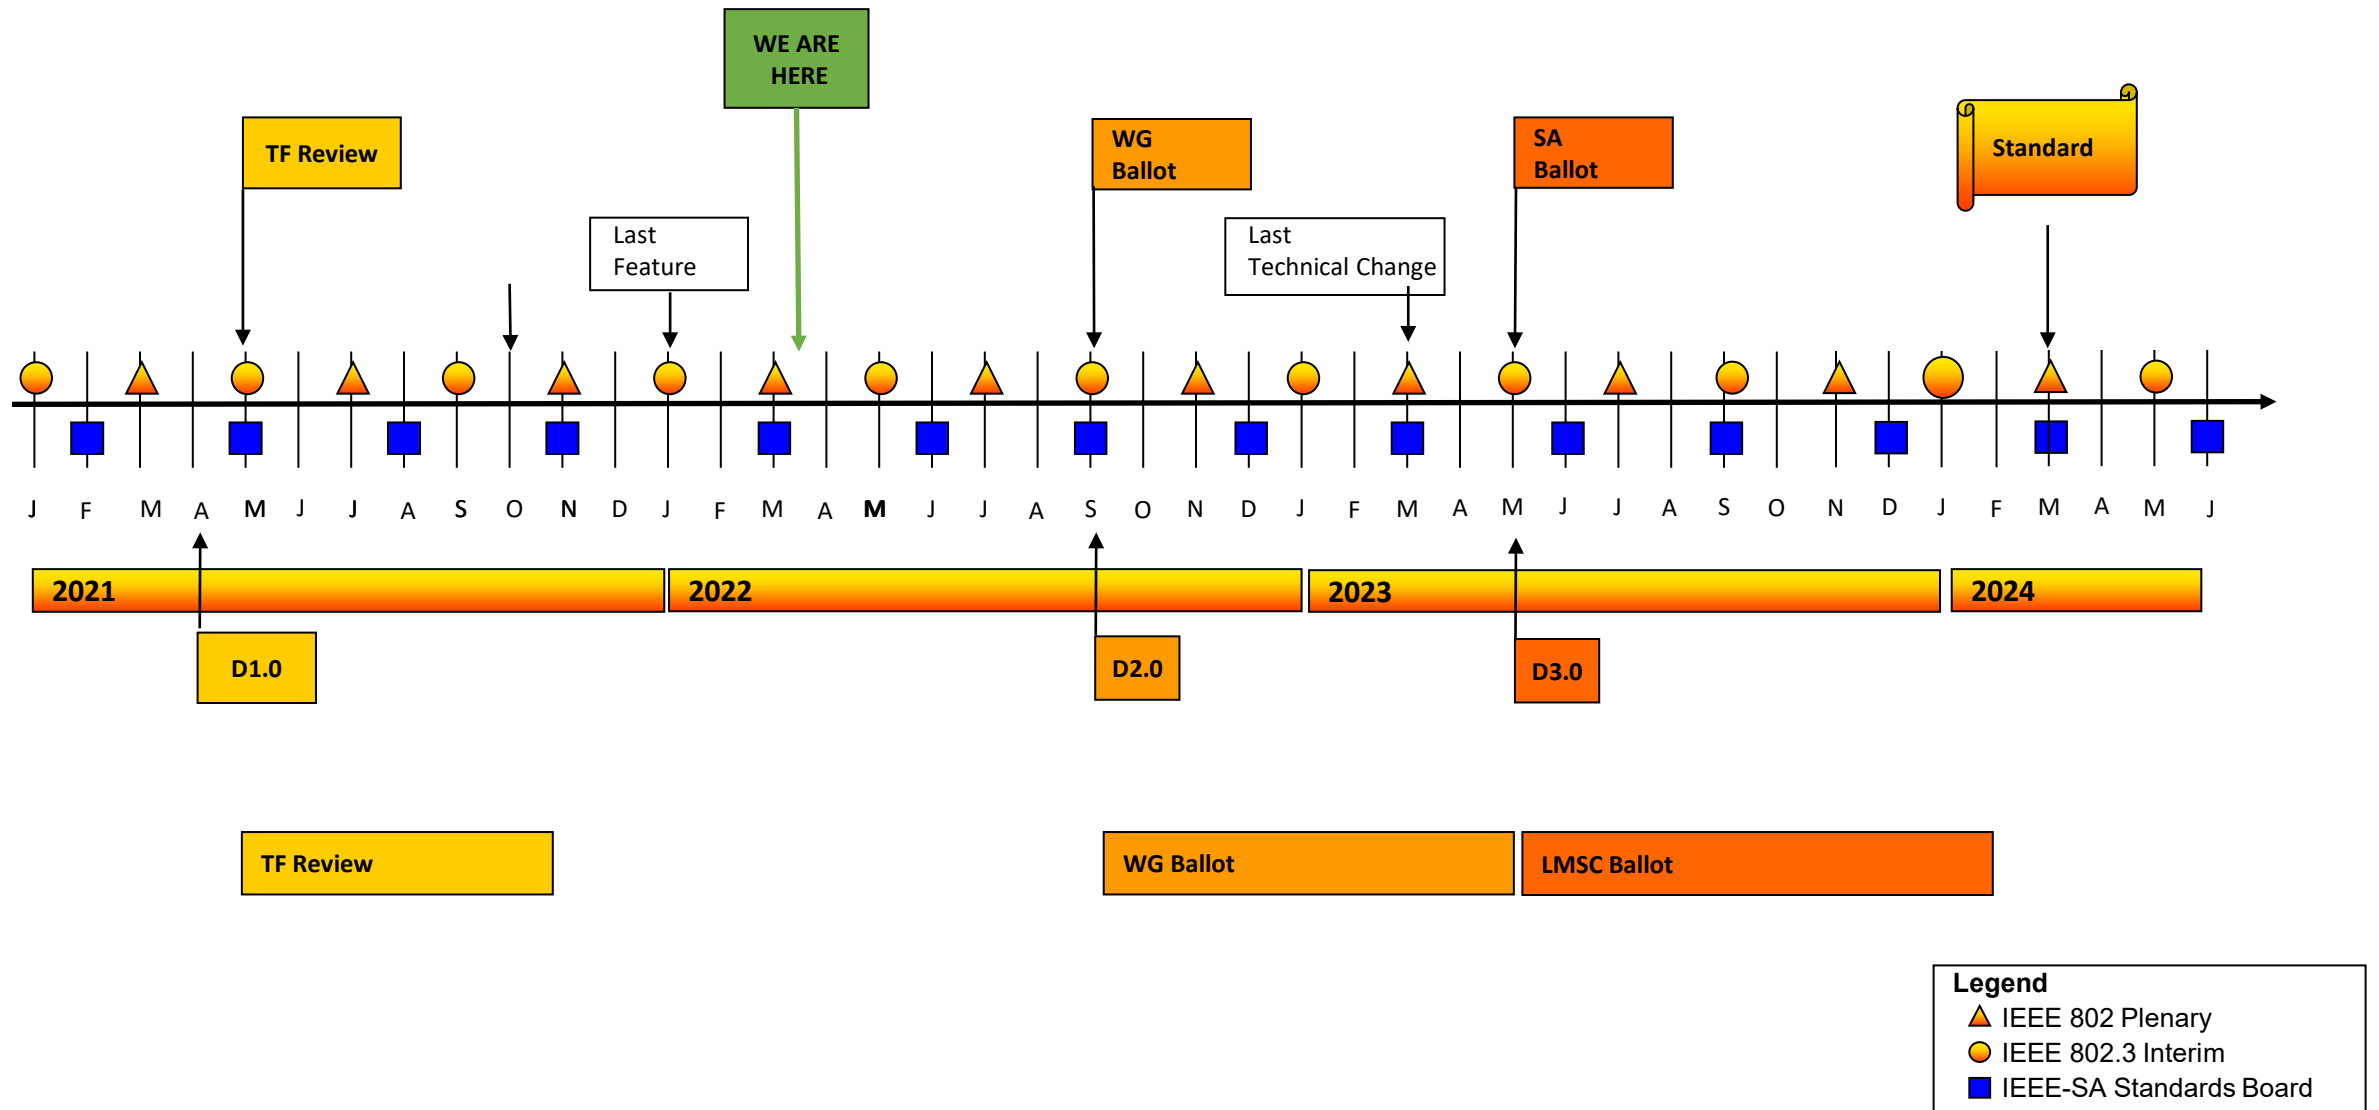

- Adopted Timeline – Slide 3 – we are behind again
- We need to make progress. State of IEEE P802.3cw will be discussed with IEEE 802.3 WG @ May 2022 802.3 WG Interim Meeting
  - 1/17 - Discussion regarding future of 802.3cw
    - Straw poll - Do you intend to submit test data towards the definition of the DP-16QAM Tx quality metric: such as according to the agreed test plan (See [https://www.ieee802.org/3/cw/tools/EVMTQM\\_211025.pdf](https://www.ieee802.org/3/cw/tools/EVMTQM_211025.pdf))

|                               |    |
|-------------------------------|----|
| a) March 2022                 | 1  |
| b) May 2022                   | 5  |
| c) July 2022                  | 2  |
| d) After July 2022            | 2  |
| e) Do not plan to submit data | 25 |
- Proposed updated timeline –Slide 4
- P802.3cw PAR expires – 31 Dec 2024
