# Meeting Schedule

- August 23<sup>rd</sup>
  - See page 13 for details.
- Any requests to remove comments from the bucket must be submitted by end of day August 26 AOE.
- August 30<sup>th</sup>
- Future dates if required to be announced.

# Comment Resolution Process

- Resolve comments against Draft 1.1
  - Any presentations associated with comments will be reviewed during comment resolution session.
  - TRs and ERs do not require signoff as to whether commenter is satisfied
- If there is no disagreement on the final proposed response the comment will be closed as proposed.
- If more than 2 people disagree, a straw poll on the area of concern will be taken and the majority position will decide the final response.
  - If the straw poll contains more than 2 choices, the choice with the lowest number of supporters will be removed. This process will continue until there are only 2 choices.

# Comment Resolution Process

- The order in which the comments are reviewed on a given call are subject to change
- Comments bracketed together with [ ] cover a common topic
- Where a comment number is underlined (e.g., 59) it contains the proposed response for the group of comments
- Comments colored blue have associated hyperlinked presentations

# Comment Resolution Process (.3ck,.3cu,.3ct,.3cw)

- Baseline Terminology
  - “Open” comments – comments that Task Force have not agreed upon a remedy
  - “Closed” comments – comments that Task Force have agreed upon a remedy
  - “Final” comments – Task Force has approved motion to adopt the responses to the closed comments
- Post updated comment database after each meeting
  - Allow individuals (other than commenter) two business days (AoE) to request on the reflector reconsideration of a “Closed” comment from the prior meeting
  - Individual needs to be present at next meeting to address
  - Normal procedures within the group will apply to determine if comment will be re-opened
- After all comments closed – normal procedures to adopt responses and generate next draft will be followed
  - Comments can not be re-opened after meeting where responses are adopted by TF

# Note about Comment Resolutions Going Forward

- Consensus building will be key
  - Rule #1 – Use the Reflector
  - Rule #2 – See Rule #1
- Reference: IEEE SA Balloting and Comment Resolution Process Guidelines (<https://standards.ieee.org/content/dam/ieee-standards/standards/web/governance/revcom/guidelines.pdf>)
  - Multiple reasons possible for rejecting comment given –
