

Chief Editor's report

IEEE 802.3
P802.3cz Multi-Gigabit Optical Automotive Ethernet
Task Force

Luis Manuel (Luisma) Torres
P802.3cz Editor-in-Chief, KDPOF
Interim Task Force teleconference, 8 March 2022

Background

- On 22 February, 802.3 TF approved a motion to adopt Chief Editor's draft as P802.3cz/D1.3 and request that P802.3c/D1.3 be submitted for March plenary WG preview.
- 802.3 TF also approved a motion to authorize Chief Editor to complete the PICS consistently with the technical content of the draft.

Current status

- Chief Editor has completed the PICS as requested by the TF.
- Chief Editor has also removed “(informative)” from the title of Table 166-11, following the style set by P802.3/D3.0.
- The new [P802.3cz/D1.3](#) draft, and the [comparison with the Chief Editor’s draft](#) are available in the [802.3cz TF private area](#) since 25 February.

Current status

- On 28 February, the new P802.3cz/D1.3 was submitted to the WG for preview.
 - A motion to advance to WG ballot will be considered at the IEEE 802.3 closing plenary meeting.
 - As required by the IEEE 802.3 rules, any textual changes made to P802.3cz/D1.3 during this TF meeting (if any) will be presented for review during the IEEE 802.3 closing plenary prior to a vote for approval to go to WG ballot.
 - In the event that the motion to advance to WG ballot is approved by the WG, the new P802.3cz/D1.3 will be renamed (without changing the content) as P802.3cz/D2.0 for WG ballot.

WG ballot and next steps

- Supposing that WG ballot is approved on P802.3cz/D1.3 (renamed to P802.3cz/D2.0)
 - There will be at least 30 days for reviewing and commenting P802.3cz/D2.0 per IEEE 802.3 rules.
 - First WG ballot comment resolution is expected by 802.3 May Interim Meeting.
 - 17, 18, 24 and 25 May are candidates for comment resolution meetings.

Thanks!
