Cl 167 SC 167.9.1 P60 L17 # 1

Wienckowski, Natalie General Motors

Comment Type ER Comment Status R

Change text to match planned change to P802.3 D3.1 per final resolution to comment I-#91.

Partial excerpt:

Change all references to J.2 in "General safety" subclause, as listed in ran\_3dc\_03\_0122, to the following text:

"Equipment subject to this clause shall conform to the general safety requirements in J.2."

This resolves unsatisfied comment #69 on D2.0.

*SuggestedRemedy*

Change: All equipment subject to this clause shall conform to J.2.

To: All equipment subject to this clause shall conform to the general safety requirements in J.2.

Response Response Status C

REJECT.

This comment was WITHDRAWN by the commenter.

Cl 91 SC 91.5.3.3 P29 L32 # 2

Marris, Arthur Cadence Design Systems

Comment Type E Comment Status R

Ordering of "100GBASE-SR2, 100GBASE-SR1, 100GBASE-SR4,"

*SuggestedRemedy*

Change to "100GBASE-SR1, 100GBASE-SR2, 100GBASE-SR4,"

Response Response Status C

REJECT.

This order is consistent with ordering of PMDs in tables throughout the draft.

The editors welcome further comments in Standards Association Ballot on D3.0.
