Non-Ballot Comment	Hormoz	Djahanshahi		Microchip Technology Inc.	Editorial	440	179.9.5.2	33	In Table 179-13, the last entry is "BER", but in all other clauses and annexes this is "BERmax"	Change BER to BERmax in Table 179-13
Non-Ballot Comment	Hormoz	Djahanshahi		Microchip Technology Inc.	Editorial	808	176C.6.4.4	16	In Table 176C–5, there is a typo in the BERadded value, i.e., "2.841x10 ⁻⁵ " should have been "2.841x10 ⁻⁴ ", as per original submitted proposal in https://www.ieee802.org/3/dj/public/24_09/brown_3dj_04_2409.pdf , slide #7. Alternatively, we can recalculate from BERadded=BERtotal-BERmax= 2.921x10 ⁻⁴ - 8x10 ⁻⁶ = 2.841x10 ⁻⁴ . Also, we can see in subclause 176C.2, the correct BERadded is provided as "2.841x10 ⁻⁴ ".	Change text to "BERadded=2.841x10 ⁻⁴ " in Table 176C-5
