Subject: Liaison to ITU-T SG15 and OIF, 802.3df status update, dated 25 January 2024

Approval: Agreed to at IEEE 802.3 plenary meeting, St. Petersburg, FL, 25 January 2024

Dear Mr. Parsons and members of ITU-T SG15,

Dear Mr. Bois and members of the OIF,

---

[1] This document solely represents the views of the IEEE 802.3 Working Group, and does not necessarily represent a position of the IEEE, the IEEE Standards Association, or IEEE 802.

We wish to provide you a status update regarding IEEE P802.3df. The task force has completed its work on P802.3df, and draft 3.2 has been submitted to RevCom for consideration at the 29 January 2024 RevCom teleconference.

We have attached D3.2 for your reference.

For further information on task force activities, please see https://www.ieee802.org/3/df/index.html.

We look forward to the continued collaboration between our two groups.

Sincerely,

David Law

Chair, IEEE 802.3 Ethernet Working Group
