

IEEE P802.3dj 200 Gb/s, 400 Gb/s, 800 Gb/s, and 1.6 Tb/s Ethernet Task Force

Approved Meeting Minutes, prepared by John D'Ambrosia, Mark Nowell, Gary Nicholl, and Kent Lusted

July 2026 Session: 13 July 2026 Co-located Interim Meetings and July 2026 Plenary meeting.

13 July 2026 - Co-located Interim meeting

Location: Montreal, Quebec, Canada

IEEE P802.3dj Task Force Meeting Page - https://www.ieee802.org/3/dj/public/26_07/index.html

Session called to order at 8:03 a.m. Eastern Daylight Time (EDT) by John D'Ambrosia, Chair of the P802.3dj Task Force.

Chair reminded participants to declare their name and affiliation in the online meeting tool. Failure to declare would result in expulsion from the meeting.

Chair reminded participants that participation in the 13 July 2026 co-located interim meeting does not require registration or payment of registration fee. The meeting will not count towards IEEE 802.3 Working Group voting membership. (see Agenda slide #1)

If participants are not eligible to sign in to IMAT to claim attendance credit, please send an email to the Task Force Chair and Recording Secretary to be recorded in the minutes as an attendee.

Agenda:

Chair asked if there were any objections to the agenda. There were none. The agenda was considered approved by unanimous consent.

Chair noted that there were several Task Force and ad hoc meeting minutes to approve (see slide #5)

- May 2026 Interim – https://www.ieee802.org/3/dj/public/26_05/minutes_3dj_2605_unapproved.pdf
- Joint Ad hoc (Electrical / Optic / Logic) – 24 June 2026
https://www.ieee802.org/3/dj/public/adhoc/optics/0626_OPTX/minutes_3dj_optx_elec_logic_260624_unapproved.pdf
- Annex 178B –
 - 03 June 2026
https://www.ieee802.org/3/dj/public/adhoc/178b/26_0603/minutes_178b_a_260603_unapproved.pdf
 - 25 June 2026
https://www.ieee802.org/3/dj/public/adhoc/178b/26_0625/minutes_178b_260625_unapproved.pdf

Chair asked if there were any corrections or modifications to the posted minutes. No one responded. Chair asked if there were any objections to approving the minutes. There were none, and the minutes were considered approved by unanimous consent.

Chair reviewed meeting decorum. (See Slide #6-9) Chair asked if there were any members of the press present. No one responded.

Chair reviewed the goals for the session (see slide #10).

Chair reviewed the Task Force Project Information / Organization for the P802.3dj Task Forces. (See Slides #12).

Chair reviewed ground rules. (See Slide #14)

Chair reviewed voting in the task force. (see slide #15) Chair noted that the straw polls would use the online meeting tool. Motions would be taken with the Direct Vote Live tool if there was not unanimous consent. Chair noted that he reserved the right to take informative straw polls by 802.3 WG voting membership.

Chair reviewed the update membership and attendance recording requirements (see slide #16-17).

Chair noted that he would be reporting individuals signing into IMAT that did not meet the eligibility requirements.

Slide #18 - Chair noted that the information regarding the IEEE SA Policies had been sent out via the Task Force reflector , and requested that individuals review the following IEEE SA policies prior to the interim meeting –

- IEEE SA Patent policy
- IEEE SA Copyright Policy
- IEEE SA Participation Policy and IEEE Code of Ethics

Chair asked if anyone needed to review the policies at that time – there were no requests to do so from in-person nor remote attendees.

Chair presented the third slide (See Slide #45) of the IEEE SA Patent Policy slides. Chair did call for Potentially Essential Patents, and no one came forward.

Chair presented the second slide (See Slide #50) of the IEEE SA Copyright Policy slides. Chair noted – “By participating in this activity, you agree to comply with the IEEE Code of Ethics, all applicable laws, and all IEEE policies and procedures including, but not limited to, the IEEE SA Copyright Policy.”

Chair reminded participants of the IEEE Code of Ethics and Conduct. (See slide #53) He noted “All participants in IEEE-SA activities are expected to adhere to the core principles underlying the IEEE Code of Ethics and IEEE Code of Conduct”.

Chair presented the second slide (See Slide #54) of the IEEE SA Participation Policy slides. Chair noted – “Participants in the IEEE-SA “individual process” shall act independently of others, including employers. By participating in standards activities using the “individual process”, you are deemed to accept these requirements; if you are unable to satisfy these requirements then you shall immediately cease any participation.”

Chair presented the third slide (See Slide #55) of the IEEE SA Participation Policy. Chair noted that IEEE-SA standards activities should allow the fair & equitable consideration of all viewpoints, and The IEEE-SA Standards Board Bylaws (clause 5.2.1.3) specifies that “the standards development process shall not be dominated by any single interest category, individual, or organization”.

Chair reviewed the liaison responses and liaisons for consideration by the Task Force at the meeting. (see Agenda slide #19). He noted that two liaisons were received over the weekend from the ITU-T. Chair noted that the recommendation from Tom Huber was that no response was necessary.

Chair reviewed the ad hoc reports.

Kent Lusted reviewed the joint electrical/logic/optical ad hoc report. (see: https://www.ieee802.org/3/dj/public/26_07/lusted_3dj_01_2607.pdf)

John D'Ambrosia reviewed the Annex 178B ad hoc report (see: https://www.ieee802.org/3/dj/public/26_07/dambrosia_3dj_01_2607.pdf). He reviewed the straw polls taken in the ad hoc meeting.

Chair reviewed the Timeline Going Forward (see agenda starting on slide 21). He reviewed the requirements to complete IEEE SA ballot. He noted that all of the comments would need to be resolved during the plenary week to meet the noted timeline, which had also been stated in the the PAR extension request.

Chair advised participants that the Task Force would likely run late on Tuesday and Wednesday night.

IMAT Reminder:

8:49 a.m. Chair reminded the room that this meeting required registration and payment of registration fee.

Chair asked that eligible participants should sign in to IMAT to claim Working Group attendance credit. He noted that participants not eligible to sign in to IMAT to claim Working Group attendance credit are to send an email to John D'Ambrosia / Kent Lusted to be recorded in the meeting minutes. He paused for a minute to let eligible attendees sign into IMAT. He asked if there was any eligible participant having a problem signing into IMAT. No one responded.

Chief Editor Report:

Title	Editor's Report
Presenters	Matt Brown

Questions were asked and answered. Chief Editor noted that there was a potential bucket2 based on revised responses to bucket1 pull requests or comments pointing back to comments closed during the week.

Bucket1 Pull Summary

Kent Lusted noted that he sent a summary of the requests to pull comments from the P802.3dj D3.1 bucket1 received before the deadline. (see <https://www.ieee802.org/3/B400G/email/msg01929.html>) John D'Ambrosia provided the list of bucket1 pull requests to participants. He asked participants if there were any additional bucket1 pull requests. No one responded.

Chair noted that motions would be taken with the Direct Vote Live tool if there was not unanimous consent. Chair asked if there would be opposition to attempt the vote by unanimous consent. No one responded.

Motion 1: bucket1	Move to: Adopt the proposed responses for P802.3dj D3.1 comment resolution in 'bucket1' https://www.ieee802.org/3/dj/comments/D3p1/8023dj_D3p1_comments_proposed_id_bucket1.pdf except comment # 15, 62, 67, 80, 83, 84, 89, 92, 118, 124, 137, 144, 171, 176, 177, 196, 207, 217, 221, 224, 226, 250, 251, 252, 260, 262, 273, 275, 296, 297, 305
Technical (>= 75%)	
Moved by	Matt Brown
Second by	Adee Ran
Results 802.3 (y/n/a)	Passed by unanimous consent. 9:18 a.m.

Chair reviewed the status of the non-ballot (late) comments and provided an overview of how they would be handled during comment resolution. He noted that only the non-ballot comments considered by the CRG would be entered into the IEEE SA comment database for D3.1. The non-ballot comments were posted at https://www.ieee802.org/3/dj/comments/D3p1/8023dj_D3p1_Non-BallotComments_Adee_Ran_Redacted.pdf

Chair noted that motions would be taken with the Direct Vote Live tool if there was not unanimous consent. Chair asked if there would be opposition to attempt the vote by unanimous consent.

Motion 2: non-ballot comments	Move to consider the non-ballot (late) comments in https://www.ieee802.org/3/dj/comments/D3p1/8023dj_D3p1_Non-BallotComments_Adee_Ran_Redacted.pdf during the P802.3dj Draft 3.1 comment resolution cycle, if time permits.
Technical (>= 75%)	
Moved by	Adee Ran
Second by	Leon Bruckman
Results 802.3 (y/n/a)	Passed by unanimous consent. 9:26 a.m.

Chair noted that motions would be taken with the Direct Vote Live tool if there was not unanimous consent. Chair asked if there would be opposition to attempt the vote by unanimous consent.

There was opposition.

Motion 3: late preso	Move to consider the late presentations ran_03 and daw_01 during the P802.3dj Draft 3.1 comment resolution cycle, if time permits.
Technical (>= 75%)	
Moved by	Adee Ran
Second by	Norm Swenson
Results 802.3 (y/n/a)	y: 28, n: 14, A: 5 motion fails. 9:34 a.m.

Comment resolution began at 9:38 a.m. John D'Ambrosia passed the comment resolution responsibilities to Kent Lusted and Matt Brown.

Task Force Chair noted that the AM1 session had a hard stop at 10:00 a.m. local time.

Task Force Chair reminded participants that the 10 minute restriction on presentations will be enforced by the TF leadership.

Meeting recessed at 9:59 a.m. eastern.

13 July 2026 – Task Force Meeting

Session resumed at 1:21 p.m. Eastern Daylight Time (EDT) by John D'Ambrosia, Chair of the P802.3dj Task Force.

Chair reminded participants to declare their name and affiliation in the online meeting tool. Failure to declare would result in expulsion from the meeting.

Chair noted that every attendee at the IEEE 802.3 Plenary meeting (Face-to-Face or Remote) must register and pay a fee to participate. (see slide #1 of agenda)

If participants are not eligible to sign in to IMAT to claim attendance credit, please send an email to the Task Force Chair and Recording Secretary to be recorded in the minutes as an attendee.

All participants in IEEE-SA activities are expected to adhere to the core principles underlying the:

- IEEE Code of Ethics
- IEEE Code of Conduct

Comment resolution resumed at 1:26 p.m.

Chief Editor reviewed the plan for the afternoon. He noted that the CRG might address electrical topics if the progress is quicker than expected.

Chair announced that the updated comment agenda version 02b was posted to the website for participants.

IMAT Reminder:

1:53 p.m. Chair reminded the room that this meeting required registration and payment of registration fee.

Chair asked that eligible participants should sign in to IMAT to claim Working Group attendance credit. He noted that participants not eligible to sign in to IMAT to claim Working Group attendance credit are to send an email to John D'Ambrosia / Kent Lusted to be recorded in the meeting minutes. He paused for a minute to let eligible attendees sign into IMAT. He asked if there was any eligible participant having a problem signing into IMAT. No one responded.

PM Break

Break at 3:00 p.m. Resumed at 3:30 p.m.

Presentation #TF-1:

Title	Why probability of less than 1e-11 is not necessary for AUI links
Presenters	Mike Dudek
URL	https://www.ieee802.org/3/dj/public/26_07/dudek_3dj_01_2607.pdf

Questions were asked and answered.

Prior to the start of presentation TF-2, the author noted there was an updated version 04a with an additional explanatory slide. Chair asked if there was objection to hearing the updated slide. No one responded.

Presentation #TF-2:

Title	Projecting BLER for AUIs
Presenters	Adee Ran
URL	https://www.ieee802.org/3/dj/public/26_07/ran_3dj_04a_2607.pdf

Questions were asked and answered.

IMAT Reminder:

4:11 p.m. Chair reminded the room that this meeting required registration and payment of registration fee.

Chair asked that eligible participants should sign in to IMAT to claim Working Group attendance credit. He noted that participants not eligible to sign in to IMAT to claim Working Group attendance credit are to send an email to John D'Ambrosia / Kent Lusted to be recorded in the meeting minutes. He paused for a minute to let eligible attendees sign into IMAT. He asked if there was any eligible participant having a problem signing into IMAT. No one responded.

Straw Poll TF-1

(See comment #R1-201)

Straw Poll TF-2

(See comment #R-201)

Adee Ran withdrew non-ballot comment marked "L06".

During the discussion of the non-ballot late comments, Chief Editor noted that he would work with the Working Group Vice Chair on the wording to capture in the response for the time permitted and consensus.

Adee Ran withdrew non-ballot comment marked "L02".

Straw Poll TF-3

(see non-ballot comment #L04)

I support making changes in the direction proposed in the suggested remedy of non-ballot comment L04.

Y: 14

N: 13

Adee Ran withdrew non-ballot comment marked "L04".

The CRG discussed the status of comments R1-188 and R1-220. Participants acknowledged that they were actively working on consensus building toward a solution. The CRG leadership deferred comments R1-188 and R1-220 until Thursday AM1 and assigned Jeff Slavick, Adee Ran and Luz Osorio to prepare a consensus presentation. There would be 15 minutes to show the proposal to the CRG on Thursday.

Chair noted that the progress was reasonable on Monday. He noted that "closed as of" comment reports would be posted by tomorrow.

Chair reminded participants of the deferred resolution of comments R1-188 and R1-220.

Chair reminded participants of the IEEE 802 tutorial on liaison communications on Monday evening.

Chair reminded participants that the APSU for Coherent topic would be tentatively discussed for Tuesday PM2 to allow P802.3dt to complete their work.

Meeting recessed for the day at 5:59 p.m.

14 July 2026 – Electrical Track

Session called to order at 8:18 a.m. Eastern Daylight Time (EDT) by Kent Lusted, Electrical Track Chair of the P802.3dj Task Force.

Chair reminded participants to declare their name and affiliation in the online meeting tool. Failure to declare would result in expulsion from the meeting.

Chair noted that every attendee at the IEEE 802.3 Plenary meeting (Face-to-Face or Remote) must register and pay a fee to participate. (see slide #1 of agenda)

If participants are not eligible to sign in to IMAT to claim attendance credit, please send an email to the Task Force Chair and Recording Secretary to be recorded in the minutes as an attendee.

All participants in IEEE-SA activities are expected to adhere to the core principles underlying the:

- IEEE Code of Ethics
- IEEE Code of Conduct

Comment resolution resumed at 8:26 a.m.

IMAT Reminder:

8:47 a.m. Chair reminded the room that this meeting required registration and payment of registration fee.

Chair asked that eligible participants should sign in to IMAT to claim Working Group attendance credit. He noted that participants not eligible to sign in to IMAT to claim Working Group attendance credit are to send an email to John D'Ambrosia / Kent Lusted to be recorded in the meeting minutes. He paused for a minute to let eligible attendees sign into IMAT. He asked if there was any eligible participant having a problem signing into IMAT. No one responded.

Presentation #E-1:

Title	C2M module R_peak (comment 240)
Presenters	Alex Rysin
URL	https://www.ieee802.org/3/dj/public/26_07/rysin_3dj_01a_2607.pdf

During Q&A, the author noted that slide 4 had data that used the partial host channel and that the rise time was approximately 6-7 ps. He would update the contribution to version 01a to add these notes on slide 4.

AM Break

Break at 10:09 a.m. Resumed at 10:39 a.m.

Presentation #E-2:

Title	Mated Test Fixture Insertion Loss (Comment #149)
Presenters	Howard Heck
URL	https://www.ieee802.org/3/dj/public/26_07/heck_3dj_01_2607.pdf

IMAT Reminder:

11:10 a.m. Chair reminded the room that this meeting required registration and payment of registration fee.

Chair asked that eligible participants should sign in to IMAT to claim Working Group attendance credit. He noted that participants not eligible to sign in to IMAT to claim Working Group attendance credit are to send an email to John D'Ambrosia / Kent Lusted to be recorded in the meeting minutes. He paused for a minute to let eligible attendees sign into IMAT. He asked if there was any eligible participant having a problem signing into IMAT. No one responded.

Howard Heck withdrew comment #R1-149.

Adee Ran withdrew non-ballot comment marked “L07”.

Chair reminded participants of the afternoon plans and the common optical topics.

Meeting recessed for the day at 11:40 a.m. EDT.

14 July 2026 – Optical Track

Session called to order at 8:10 a.m. Eastern Daylight Time (EDT) by Mark Nowell, Optical Track Chair of the P802.3dj Task Force.

Chair reminded participants to declare their name and affiliation in the online meeting tool. Failure to declare would result in expulsion from the meeting.

Chair noted that every attendee at the IEEE 802.3 Plenary meeting (Face-to-Face or Remote) must register and pay a fee to participate. (see slide #1 of agenda)

If participants are not eligible to sign in to IMAT to claim attendance credit, please send an email to the Task Force Chair and Recording Secretary to be recorded in the minutes as an attendee.

All participants in IEEE-SA activities are expected to adhere to the core principles underlying the:

- IEEE Code of Ethics
- IEEE Code of Conduct

Chair noted that another late presentation has been submitted (Dawe_02). This contribution has been posted and the TF will consider whether to review it during Wednesday's meeting.

Chair noted that Ahmad El-Chayeb is unable to participate due to the arrival of a new baby (Congratulations Ahmad!). His co-author, David Leyba has been granted permission to join the meeting. Pursuant to the IEEE 802 LMSC Operations Manual Section 5, IEEE 802.3 Working Group Chair David Law designated David Leyba as an individual expert who was allowed to participate in Working Group discussions via electronic means during an in-person meeting for the benefit of the group. These individuals are not considered to be attending the meeting and so they are not required to pay meeting fees and they do not get participation credit. The participation of David Leyba would be limited to to give Ahmad El-Chayeb's presentation, support the discussion regarding the presentation, as well as the discussion of the relevant comments.

The chair shared the logistics for the next two days. At lunch, the room will be reconfigured back into a big room. A new dial-in bridge will be sent out to be used for the afternoon session.

The session will continue at 7:30pm local time after a dinner break at 6pm local time. An end time is not being indicated at this time.

The chair also noted that we have secured meeting room availability for after the social on Wednesday if it is needed. The chair encouraged the group to try to move quickly through the comment resolution as he expects no one is going to be keen to have to use that Wednesday evening meeting time.

Comment resolution resumed at 8:25 a.m.

David Lewis withdrew comment #R1-191,192, 193, 194.

Presentation #O-1:

Title	Supporting information for comments on transmitter power excursion
Presenters	John Johnson
URL	https://www.ieee802.org/3/dj/public/26_07/johnson_3dj_01_2607.pdf

Questions were asked and answered.

Presentation #O-2:

Title	TFT Examples & Illustrations
Presenters	Chris Cole
URL	https://www.ieee802.org/3/dj/public/26_07/cole_3dj_01a_2607.pdf

The Chair confirmed with the presenter that the co-authors agreed with the proposed comment responses from the editorial team for the comments listed on slide 3 of Cole_01a. The chair indicated that he viewed this as a strong indication of consensus and support for the relevant proposed responses which should speed up our comment resolution.

IMAT Reminder:

9:30 a.m. Chair reminded the room that this meeting required registration and payment of registration fee.

Chair asked that eligible participants should sign in to IMAT to claim Working Group attendance credit. He noted that participants not eligible to sign in to IMAT to claim Working Group attendance credit are to send an email to John D'Ambrosia / Kent Lusted to be recorded in the meeting minutes. He paused for a minute to let eligible attendees sign into IMAT. He asked if there was any eligible participant having a problem signing into IMAT. No one responded.

IMAT Reminder (AM2):

10:53 a.m. Chair reminded the room that this meeting required registration and payment of registration fee.

Chair asked that eligible participants should sign in to IMAT to claim Working Group attendance credit. He noted that participants not eligible to sign in to IMAT to claim Working Group attendance credit are to send an email to John D'Ambrosia / Kent Lusted to be recorded in the meeting minutes. He paused for a minute to let eligible attendees sign into IMAT. He asked if there was any eligible participant having a problem signing into IMAT. No one responded.

Chair made closing remarks.

Meeting recessed at 10:55 a.m. EDT.

15 July 2026 – Task Force

Session called to order at 10:18 a.m. Eastern Daylight Time (EDT) by John D'Ambrosia, Chair of the P802.3dj Task Force.

Chair reminded participants to declare their name and affiliation in the online meeting tool. Failure to declare would result in expulsion from the meeting.

Chair noted that every attendee at the IEEE 802.3 Plenary meeting (Face-to-Face or Remote) must register and pay a fee to participate. (see slide #1 of agenda)

If participants are not eligible to sign in to IMAT to claim attendance credit, please send an email to the Task Force Chair and Recording Secretary to be recorded in the minutes as an attendee.

All participants in IEEE-SA activities are expected to adhere to the core principles underlying the:

- IEEE Code of Ethics
- IEEE Code of Conduct

Comment resolution resumed at 10:25 a.m.

Lunch Break

Break at 12:10 p.m. Resumed at 1:31 p.m.

Chair reviewed the plans for the remainder of the day and for Thursday. He noted that there was offline consensus building on the APSU topics and participants should contact the proponents to get involved.

Chair noted that Thursday would be held exclusively for the APSU topics and closing business. The TF still had late presentations.

Straw Poll TF-8

(see comment R1-274)

Piers Dawe withdrew comment R1-296.

Straw Poll TF-9

(see comment database)

Straw Poll TF-10

Questions were asked and answered.

PM Break

Break at 3:17 p.m. Resumed at 3:41 p.m.

IMAT Reminder:

3:58 p.m. Chair reminded the room that this meeting required registration and payment of registration fee.

Chair asked that eligible participants should sign in to IMAT to claim Working Group attendance credit. He noted that participants not eligible to sign in to IMAT to claim Working Group attendance credit are to send an email to John D'Ambrosia / Kent Lusted to be recorded in the meeting minutes. He paused for a minute to let eligible attendees sign into IMAT. He asked if there was any eligible participant having a problem signing into IMAT. No one responded.

Meeting recessed for the day at 4:27 p.m. EDT.

16 July 2026 – Task Force

Session called to order at 8:09 a.m. EDT by John D'Ambrosia , Chair of the P802.3dj Task Force.

Chair noted that every attendee at the IEEE 802.3 Plenary meeting (Face-to-Face or Remote) must register and pay a fee to participate. (see slide #1 of agenda)

Chair reminded participants to declare their name and affiliation in the online meeting tool. Failure to declare would result in expulsion from the meeting.

All participants in IEEE-SA activities are expected to adhere to the core principles underlying the:

- IEEE Code of Ethics
- IEEE Code of Conduct

Chair reminded participants to adhere to decorum. (see agenda slide #8)

Presentation #TF-6:

Title	Consensus proposal for RTS FSM for coherent PMDs
Presenters	Tom Huber
URL	https://www.ieee802.org/3/dj/public/26_07/huber_3dj_02a_2607.pdf

Questions were asked and answered. Gary Nicholl requested to be added as a supporter.

Chair noted that he received notification from Norm Swenson and Hansel D'Silva about an error in the chayeb_3dj_01_2607 presentation with a mathematical sign in an equation. (see:https://www.ieee802.org/3/dj/public/26_07/chayeb_3dj_01_2607.pdf) Norm and Hansel confirmed with the author that the error was true. Chair noted that there was strong interest in fixing the error in the next draft. Chief editor proposed that the corrected equation be added to the editorial slides and the closed comment be reopened to add the reference. Chair asked if there was objection to the approach outlined and noted that the comment would be opened only for the purpose of adding a reference to the corrected equation. He asked if there was opposition to the approach. No one responded.

Chair noted that presentation ran_3dj_05_2607 was directed by the CRG leadership to develop a consensus presentation for TF consideration on Thursday.

Presentation #TF-7:

Title	Consensus proposal for resolving comment #188
Presenters	Adee Ran
URL	https://www.ieee802.org/3/dj/public/26_07/ran_3dj_05a_2607.pdf

Questions were asked and answered. Author noted that on slide 7 local_rx_ready between SEND_LOCAL and RX_READY should be highlighted and would provide an updated 05a. Xuebo Wang offered his support to the contribution. Matt Brown offered his support.

IMAT Reminder - AM:

9:24 a.m. Chair asked that eligible participants should sign in to IMAT to claim Working Group attendance credit. He noted that participants not eligible to sign in to IMAT to claim Working Group attendance credit are to send an email to John D'Ambrosia / Kent Lusted to be recorded in the meeting minutes. He paused for a minute to let eligible attendees sign into IMAT. He asked if there was any eligible participant having a problem signing into IMAT. No one responded.

Chief Editor noted that the response to closed comment #103 needed a correction to the equations referenced in the chayeb_3dj_01_2607.pdf contribution. The new equation replaces the equation on slide 27 of https://www.ieee802.org/3/dj/public/26_07/issenhuth_3dj_01b_2607.pdf He asked if there was objection to reopening comment #103 to make the change. No one responded. The comment was opened, revised, and closed.

Chief Editor noted that all comments were resolved.

Comment resolution completed at 9:37 a.m.

John D'Ambrosia resumed the meeting chair responsibilities at 9:38 a.m.

Chair thanked Kent Lusted and Matt Brown for leading comment resolution. Chair thanked the editorial team and leaders for their hard work during comment resolution.

Chair noted that motions would be taken with the Direct Vote Live tool if there was not unanimous consent. Chair asked if there would be opposition to attempt the vote by unanimous consent.

Motion #5:	Move that the IEEE P802.3dj Task Force • Approves responses to closed comments • Approves generation of D3.2 from D3.1 and approved responses to closed comments
Technical (>= 75%)	
Moved by	Matt Brown
