

IEEE P802.3dm TF Chair Rule

Task Force Comment Phase

Reviews may be started by the TF Chair after a P802.3dm TF Interim or Plenary, including OOC Interims

All content in the draft is open for comment (unless otherwise specified in the review announcement)

The initial review will be 30 days

Subsequent reviews will be at least 10 days

Comments will be discarded if deemed “not helpful” by the Editors and/or Technical leads

During TF review, no comments are “required” as there is no vote on the review
