March 17, 2026
Electronic Ad Hoc Meeting

Prepared by Natalie Wienckowski

IEEE P802.3dm Ad Hoc meeting convened at 11:04 AM EDT, Tuesday, March 17, 2026, by Steve Gorshe, chair for the ad hoc, Vice Chair of the Task Force.

Attendance is listed in Appendix A

Presentation: [agenda 3dm_01a_031726.pdf](#)

Presenter: Steve Gorshe, ad hoc Chair.

Approval of Agenda: The chair asked whether there were any comments, additions, or corrections to the agenda, and there were none. He announced that the agenda was approved. **(11:05 AM)**

The Chair continued review of the agenda presentation.

The chair noted that there should be no recording or photography without permission.

The chair asked if anyone was attending from the press including those who would run a public blog on this meeting – there were no indications from the group. **(11:07AM)**

The chair then continued review of the presentation, reviewing decorum, information for the reflector, private area, and ground rules.

Private Area: The credentials for the private area were not shared as no one needed them.

The chair discussed that this being an ad hoc meeting there would be no motions other than procedural for the ad hoc (e.g., agenda approval, adjournment).

The chair reminded the group that since this was an ad hoc meeting attendance did not count toward 802.3 voting membership.

Attendance, the Chair advised the group that attendance would be taken from the Webex log. He then reminded attendees that they should show their employer & affiliation, and how to set these to make them correct. Assistance was offered in case anyone could not rename themselves.

IEEE SA Patent Policy, The chair then asked whether anyone wished him to read aloud the patent policy slides, and there were no responses. He then reviewed slides 0 through 4 of the IEEE SA Patent Policy slides 1 through 4 of patent policy for Task Forces and made the call for patents **(10:09 am)**.

There was no response to the call for patents at **11:09 EDT am**.

Other IEEE Policies

He reviewed the slides on the IEEE SA copyright, Participant behavior (ethics), IEEE individual participation, and fair and equitable consideration policies. (11:10 am). There were no questions.

FUTURE MEETINGS

There are web only interim calls on April 7 and 9.

The next scheduled hybrid meeting of P802.3dm is during the 802.3 Interim in May.

The chair then turned to presentation [agenda_3dm_01a_120425.pdf](#) and reviewed the proposed presentations for the meeting.

PRESENTATIONS

The Chair then moved to the presentations for the meeting.
