Chair reviewed IEEE 802.3 ground rules (see slide 10).

IMAT reminder

Chair reminded participants that participation in this ad hoc meeting doesn't require registration or payment of registration fee. The meeting doesn't count towards IEEE 802.3 Working Group voting membership, but meeting attendance will be recorded using the IMAT tool and Webex participants list (see slide 11).

Chair covered Voting rules (see slide 12). 07 May 2026 P802.3ds TF Interim is an electronic meeting, as announced <https://www.ieee802.org/3/200GMMF/email/msg00080.html> by the TF Chair.

In such electronic meetings only IEEE 802.3 Working Group members may make and vote on motions. If a motion is not approved by unanimous consent, it shall be taken as a roll call vote. All participants who feel qualified may participate in a straw poll. Note – Chair reserves the right to take informative straw polls by 802.3 WG voting membership.

Chair presented access information to IEEE bylaws and rules in slide 13.

By presenting slides 15 and 16, Chair reviewed patent policies of IEEE with the participants. Call for essential patents was made at 10:13 AM. No one indicated that they had essential patents.

Chair presented the IEEE SA Copyright Policy information (see slides 20,21). Chair noted – “By participating in this activity, you agree to comply with the IEEE Code of Ethics, all applicable laws, and all IEEE policies and procedures including, but not limited to, the IEEE SA Copyright Policy.”

Chair presented IEEE SA Participation Policy information (see slides 22-25).

Chair noted – “Participants in the IEEE-SA ‘individual process’ shall act independently of others, including employers.” “By participating in standards activities using the ‘individual process’, you are deemed to accept these requirements; if you are unable to satisfy these requirements then you shall immediately cease any participation.” (see slide 23).

Chair presented that IEEE SA standards activities shall allow the fair & equitable consideration of all viewpoints (see slide 24)

Chair provided information for IEEE Ethics Reporting Line (see slide 26)

Chair presented the contributions for this Interim meeting (see slide 27).
