## Straw Poll #3 (March Plenary)

- Does the HSSG believe that there is broad market potential for 40 GbE (in addition to 100GbE)?

### Results

- Yes - 23
- No – 32
- Abstain - 36

# Straw Poll #1

- Does the HSSG believe that there is broad market potential for 40 GbE (in addition to 100GbE)?

## Results

- Yes - 24
- No – 24
- Abstain - 26

# Straw Poll #2

- Should the HSSG adopt the following objective
  - “Support a speed of 40 Gb/s at the MAC/PLS service interface.”

## Results

- Yes - 22
- No – 24
- Abstain - 24
