Subject: Liaison letter to MEF

Approval: Agreed to at IEEE 802.3 Interim meeting, Geneva, CH, Jan 24<sup>th</sup>, 2018

Dear Mr. Chen and members of the MEF,

Thank you for the opportunity to review your Subscriber Layer 1 Connectivity Service Attributes Technical Specification. We notice that you are referencing a soon to be out-of-date version of IEEE Std 802.3 which is currently undergoing revision. The revision of IEEE Std 802.3 is still on track for completion in 2018. We anticipate the revision project will merge the approved corrigendum and the eleven approved amendments. Other in-process

---

<sup>1</sup> This document solely represents the views of the IEEE 802.3 Working Group, and does not necessarily represent a position of the IEEE, the IEEE Standards Association, or IEEE 802

proposed amendments will become proposed amendments to the resulting IEEE Std 802.3-201x (year anticipated to be 2018) once the revision project is approved.

Thank you for your continuing interest in the work of IEEE 802.3.

Sincerely,

David Law

Chair, IEEE 802.3 Ethernet Working Group
