

# IEEE and ITU-T Joint Workshop

September 2012

In order to facilitate building out the agenda for our upcoming joint workshop, the following panels have been suggested for the workshop for the two agreed tracks

- Track 1: Access (AM)
  - o Overview of the geographic access market
    - IEEE Lead: Ed Mallette
    - ITU-T Lead: Martin Carrol
  - o Update on relevant standards activities in ITU-T and IEEE
    - IEEE Lead: Marek Hajduczenia
    - ITU-T Lead: Frank Effenberger
  - o Activities that build on our various standards
    - IEEE Lead: Glen Kramer
    - ITU-T Lead: Frank Effenberger
- Track 2: Core Networking (PM)
  - o Higher speed networking
    - IEEE Lead: John D'Ambrosia; Dan Dove
    - ITU-T Lead: Pete Anslow, Peter Stassar
  - o Energy efficiency
    - IEEE Lead: Mike Bennett
    - ITU-T Lead: Helmut Schink to identify candidate

Planning ITU-T Lead: Steve Trowbridge

Planning IEEE Lead: Wael William Diab

Presentations solicited to-date can be slotted into the above panels as appropriate.
