Subject: Status of IEEE P802.3db Task Force

Approval: Agreed to at IEEE 802.3 plenary teleconference meeting, 23rd July 2020

Dear Mr Palkert, Mr Carlson and members of INCITS T11.2 and T11.3,

The IEEE P802.3db 100 Gb/s, 200 Gb/s, and 400 Gb/s Short Reach Fiber Task Force adopted objectives are available at <http://www.ieee802.org/3/db/P802d3db_Objectives_Approved_May_2020.pdf>. We would like to foster an exchange of information on 100 Gb/s signalling for MMF optical links. You can find our latest meeting materials from our July 2020 meeting at <<http://www.ieee802.org/3/db/public/July20/>>.

We hope you find these helpful and that you have a fruitful on-line meeting in August. We look forward to continued communications as both our projects/drafts progress.

Sincerely,
David Law
Chair, IEEE 802.3 Ethernet Working Group
