

IEEE 802.3 VOTERS IN PERIL

March, 2004 (35) 3/11/2004

If your name is on this list AND you wish to remain an 802.3 Voter you need to make sure that you sign the book every day that you are in 802.3.

"Voter in Peril" means that the persons listed will not be voters after this meeting unless they meet the "full attendance" requirement for this meeting. That is, they sign-in at least 3 of the 4 days.
