 - 9:00 – Noon R
- Review of the patent policy
- Liaison letters
- Presentations
- Draft review / request to ballot
- General Entertainment

March 17-20, 2008

IEEE 802.3at Task Force
Orlando Plenary

Special Note 1

- P802.3at will request a change to:
- Objective 2

The target infrastructure for PoEPlus will be ISO/IEC 11801-1995 Class D (or higher systems) *25Ω (or lower systems)*. Further we will not cause a safety issue for a legacy installation conformant to ISO/IEC 60950.

Special Note 2

- Ad-hocs will meet during the week during the regular meeting times and / or after hours.
- Watch the reflector (subscribe NOW!) for when and where

Thank You
