Please don't change the structure of this table, just insert the necessary information.

Q13/15 is responsible for network synchronization within ITU-T SG15. Q13 is currently working on the transport of time through packet networks.

Q13 thanks IEEE802.3bf for communicating the draft D1.0 and would like to have access to the watermarked Sponsor Ballot draft, D3.0 version. Q13 will meet in February 2011 in Geneva.

Q13 will not copy these documents but simply refer to them in its documents if needed.

Q13 thanks IEEE for considering this request.
