Subject: Status of IEEE P802.3ck Task Force

Approval: Agreed to at IEEE 802.3 plenary teleconference meeting, 18th March 2021

Dear Mr Otto and members of the OIF,

Thank you for your liaison letter providing the status of the OIF CEI-112G projects along with the draft Implementation Agreements. We find these drafts helpful to reference in our discussions.

The IEEE P802.3ck 100 Gb/s, 200 Gb/s, and 400 Gb/s Electrical Interfaces Task Force has initiated Working Group ballot on draft IEEE P802.3ck™/D2.0 (attached).

We look forward to continued communications as both our projects progress.

Sincerely,
David Law
Chair, IEEE 802.3 Ethernet Working Group
