Subject: Status update on IEEE P802.3cg project

Approval: Agreed to at IEEE 802.3 interim meeting, Salt Lake City, UT, USA, 23<sup>rd</sup> May 2019

Dear Mr Oehler,

We would like to inform you about the status of the IEEE P802.3cg 10 Mb/s Single-Pair Ethernet Task Force.

The IEEE P802.3cg project is in the Standards Association ballot phase and is about to initiate the first recirculation ballot cycle. We are happy to provide you with the most recent version of the project draft (IEEE P802.3cg Draft 3.1).

Sincerely,  
David Law  
Chair, IEEE 802.3 Ethernet Working Group
