ITU-T Q11/15 and Q6/15 would like to thank the members of IEEE 802.3 for the status information on the IEEE 802.3ct and IEEE 802.3cw projects. We appreciate you sending us the IEEE 802.3ct Draft D3.2 and IEEE 802.3cw Draft D1.0. Both of these projects are of interest to Q11/15 and Q6/15. We look forward to continuing our ongoing cooperation on these topics.
