### **Liaison statement to IEEE 802.3 on 40GBASE-T objectives**

Dear Mr Law,

Thank you for your liaison letter from your plenary meeting in Geneva, Switzerland, 18 July 2013 and the information regarding the 40GBASE-T objectives.

We appreciate your interest and continued cooperation with your Task Force IEEE P802.3bq on the cabling related aspects of this project.

We would like to inform you that the 2<sup>nd</sup> draft of our Technical Report ISO/IEC/TR 11801-99-1 also received substantial support. The comments received were resolved in our 55<sup>th</sup> meeting from 30 September to 03 October and a revised draft will be distributed before the end of 2013.

At this stage in the ISO/IEC process, interested IEEE experts are invited to submit comments via their pertinent National Body.
