Dear Messrs. Dove, Palkert, and Lohmeyer,

The OIF has completed and reviewed updates to the draft CEI-28G-VSR and CEI-28G-MR implementation agreements following straw ballot comment resolution at our 3Q meeting in Warsaw and agreed to initiate subsequent straw ballots on these documents.

For the benefit of your membership, we have attached to this liaison OIF documents that are currently under development and unpublished (oif2010.404.11.pdf and oif2013.066.02.pdf, attached). We ask you to limit their distribution to your members only and acknowledge the OIF in any derivative work.

Sincerely,
