Meeting attendance procedures

IEEE 802.3 Working Group Plenary
Bangkok, Thailand
November 2018
Meeting attendance

• The IEEE-SA Meeting Attendance Tool will be the basis of the official attendance record for this meeting

• To use the tool, you must have an IEEE Web Account
Points of emphasis

• You may log in using your IEEE Web Account user ID or the primary e-mail address specified in your IEEE Web Account
  – Your password is your IEEE Web Account password

• You need to login only once per meeting day
  – You are certifying that you are attending a "substantial" portion of that meeting day
Contact information

• A participant’s web account information will be the official record for contact information
  – This information may be updated at any time by the participant
  – It is not subject to errors during transcription of a written record
  – Your name will appear in the record as it is entered in your IEEE Web Account
  – The primary e-mail address specified in your IEEE Web Account will be our primary means to contact you
  – Updates are reflected in the Working Group database following each session

• To obtain and maintain voting membership, you must maintain correct contact information in the official record
For this session...

- The URL to access the IEEE Meeting Attendance Tool for this meeting is http://imat.ieee.org

- There is no session access code

- You will only be allowed to register your attendance if you access the server from the meeting network, i.e. IEEE802
  - You will probably have to disconnect your VPN software

Questions?

Contact the Standards Solutions Support Team

solutions-support@standards.ieee.org
Attendance percentage and history

• The IEEE 802.3 Working Group does not use the calculated “percentage” to assign meeting credit

• The attendance summary presented by IMAT may be inaccurate (post-meeting corrections are not reflected in the summary)

• See the credited attendance summary for the historical record used to determine voter eligibility
  – This is updated before each plenary
Disclosure of affiliation

- IEEE-SA Standards Board By-Laws, Section 5.2.1.5
  - [Link](http://standards.ieee.org/guides/bylaws/sect5.html)

- Disclosure of Affiliation
  
  “Every member and participant in a working group, Sponsor ballot, or other standards development activity shall disclose his or her affiliation.”

- What is “Affiliation”
  
  “An individual is deemed "affiliated" with any individual or entity that has been, or will be, financially or materially supporting that individual's participation in a particular IEEE standards activity. This includes, but is not limited to, his or her employer and any individual or entity that has or will have, either directly or indirectly, requested, paid for, or otherwise sponsored his or her participation.”

- Affiliation and participation
  
  “Failure to disclose every such affiliation may result in complete or partial loss of rights to participate in IEEE-SA activities. An individual is not excused from compliance with this policy by reason of any claim of a conflicting obligation (whether contractual or otherwise) that prohibits disclosure of affiliation.”

Correct your employer

• Your “employer” information is taken from your IEEE (MyProject) Account.

• Look at the attendance summary for the most recent meeting you attended and check that your employer is correct:

• If it is blank or incorrect, then fill in your current employer in your IEEE (MyProject) Account.
  – Go to https://development.standards.ieee.org/my-site and log in with your username/email and password.
  – Then go to the “Account” link on the right hand side of the page and change the entry under “Employer”.
