Subject: Status of IEEE P802.3ck Task Force

Approval: Agreed to at IEEE 802.3 plenary teleconference meeting, 12th November 2020

Dear Mr Carr and members of the Gen-Z Consortium,

Thank you for your liaison letter providing the status of the Gen-Z PHY workgroup.

The IEEE P802.3ck 100 Gb/s, 200 Gb/s, and 400 Gb/s Electrical Interfaces Task Force has completed four rounds of task force review resulting in Draft 1.4 (attached). You can find the meeting materials at <https://www.ieee802.org/3/ck/public/20_10/index.html> and comment reports at <<http://www.ieee802.org/3/ck/comments/index.html>>. As we continue rounds of task force review, we work towards our next goal of technical completeness.

We look forward to continued communications as both our projects progress.

Sincerely,
David Law
Chair, IEEE 802.3 Ethernet Working Group
