Subject: Status of IEEE P802.3ck Task Force

Approval: Agreed to at IEEE 802.3 plenary teleconference meeting, 19th November 2020

Dear Mr Palkert and members of INCITS T11.2,

The IEEE P802.3ck 100 Gb/s, 200 Gb/s, and 400 Gb/s Electrical Interfaces Task Force has completed four rounds of task force review resulting in Draft 1.4 (attached). As we continue rounds of task force review, we work towards our next goal of technical completeness.

We hope you find these helpful. We look forward to continued communications as both our projects progress.

Sincerely,
David Law
Chair, IEEE 802.3 Ethernet Working Group
