Subject: Liaison reply to "Liaison of ASA Motion Link specifications", 11 October 2023

Approval: Agreed to at IEEE 802.3 plenary meeting, Honolulu, HI USA, 16 November 2023

Dear Mr. Arndt and members of the Automotive SerDes Alliance,

Thank you for your liaison "Liaison of ASA Motion Link specifications" dated 11 October 2023 informing the IEEE 802.3 Working Group of the status of the ASA Motion Link transceiver specification. The IEEE 802.3 Ethernet for Automotive Imaging Sensors Study Group met on 14-15 November in Honolulu, HI, USA during the IEEE 802.3 plenary and considered your liaison and related content. We have placed the content in our password-protected private area, accessible only to participants. We will advise you on progress when appropriate. IEEE 802.3 meetings are open to all, and we encourage participation from interested individuals.

Sincerely,

David Law

Chair, IEEE 802.3 Ethernet Working Group
