IEEE 802.3 DEPARTING AND IN PERIL VOTERS **November 2026**

(16)

If your name is on this list preceded by a * then you are a "departing voter" which means that your attendance record is such that you will not be a voter after this session.

If your name is on this list not preceded by a * then you are a "voter in peril" which means that you will not be a voter after this session unless you meet the "full attendance" requirement of this plenary meeting. If you wish to remain an 802.3 voter you need to make sure that you register your attendance in IMAT that meets the requirements to receive meeting credit for this session and declare your affiliation.
