  - Approved timeline:
- Private area:

IEEE P802.3dp Task Force
Activities since March 2026 plenary

Held no meetings, made no progress

Waiting on 11801 to solidify their plan, they meet this week to resolve comments. 802.3 delegation will be attending.

IEEE P802.3dp Task Force
Meeting week plan

- The Task Force does not meet
- Planned to have off cycle interims to progress between face-to-face meetings
- Expect to have text to discuss by next plenary

Questions?

Thank you!
