Withdrawal of POF References in ISO/IEC 11801 series

Dear David,

please note that we have withdrawn all reference to Plastic Optical Fibre (POF) and hard clad silica optical fibres in the current Committee Draft of the next edition of the ISO/IEC 11801 series. This decision was based on national comments citing lack of market relevance for POF.

Sincerely,
Albrecht

Prof. Dr.-Ing. Albrecht Oehler
Convener ISO/IEC JTC 1/SC 25 WG 3
