Subject: Reply to LS on AAP Consent of draft new Recommendations J.196.2, J.196.3, and J.223.2

Approval: Agreed to at IEEE 802.3 Interim meeting, Fort Worth, TX, USA, **for transmission after approval of IEEE Std 802.3bn**

Dear Mr. Webster and members of ITU-T Study Group 9,

Thank you for your communication of 2 September 2016 regarding the status update for "LS on AAP Consent of draft new Recommendations J.196.2, J.196.3, and J.223.2". Congratulations on the progress.

For your information, IEEE 802.3 project P802.3bn EPON Protocol over Coax was approved for publication as a standard by the IEEE Standards Association Standards Board on 22 September 2016. Upon publishing, IEEE 802.3 standards are available for purchase for a period of approximately six months and thereafter available for download at no-cost via standards.ieee.org/about/get/802/802.3.html.

¹ This document solely represents the views of the IEEE 802.3 Working Group, and does not necessarily represent a position of the IEEE, the IEEE Standards Association, or IEEE 802.

Sincerely,

David Law

Chair, IEEE 802.3 Ethernet Working Group
