Approval: Agreed to at IEEE 802.3 Interim Meeting, Charlotte, NC, USA, 14th September 2017

Dear Mr. Otto and members of the OIF,

Thank you for your liaison letter providing the status of the OIF CEI-56G projects and for providing us with copies of the latest drafts of the respective implementation agreements.

We would like to inform you about the status of the IEEE P802.3cd 50 Gb/s, 100 Gb/s, and 200 Gb/s Ethernet Project.

The IEEE P802.3cd project is in the Working Group ballot phase and just completed its first recirculation ballot. We are happy to provide you with the most current copy of the project draft (IEEE P802.3cd Draft 2.2).

We request that this draft only be shared with your membership.

Sincerely,

David Law

Chair, IEEE 802.3 Ethernet Working Group
