Subject: Liaison response to OIF liaison "400ZR Interop Project" (20 August 2018)

Approval: Agreed to at IEEE 802.3 Interim meeting, Spokane, WA, USA, 13 September 2018.

Dear Mr. Otto, Mr. Frlan, and members of the OIF,

Thank you for your liaison letter of 20<sup>th</sup> August 2018, which provided an update on the status of the 400ZR Interop Project, the draft 400ZR Implementation Agreement (Document # oif2017.245.09), and the update regarding the work on the memory mapping in support of coherent modules.

We are pleased to inform you that the Project Authorization Request (PAR) proposed by the IEEE 802.3 Beyond 10km Optical PHYs Study Group was approved by the IEEE-SA Standards Board on Thursday, 27 September 2018. The approved PAR may be found at [URL]. The Task Force webpage may be found at <http://www.ieee802.org/3/cn/index.html>.

The first meeting of the IEEE P802.3cn Task Force will be held at the IEEE 802 November 2018 Plenary that will be held in Bangkok, Thailand the week of November 11-16, 2018.

---

<sup>1</sup> This document solely represents the views of the IEEE 802.3 Working Group, and does not necessarily represent a position of the IEEE, the IEEE Standards Association, or IEEE 802.

Information regarding this plenary may be found at <http://802world.org/plenary/>. Upon formation, the Task Force will begin the process of determining baseline selections.

We request that the OIF continue to provide updates on the 400ZR project.

Sincerely,

David Law

Chair, IEEE 802.3 Ethernet Working Group
