Subject: Request for latest draft of IEEE P802.3cg

Dear Mr. Law,

We request a copy of the most current draft of IEEE P802.3cg to assist the development process of ODVA standards. Specifically, ODVA intends to create normative references to the final IEEE P802.3cg specification within *The EtherNet/IP Specification*, and receipt of the most current draft of IEEE P802.3cg will ensure that the output of the Special Interest Groups (SIGs) is aligned appropriately.

We look forward to continued cooperation with IEEE 802.3.

Sincerely,
Al Beydoun, Ph.D.
President and Executive Director, ODVA, Inc.
