Dear Mr Oehler,

The IEEE 802.3 10SPE Multidrop Enhancements (SPMD) Study Group has learned of a new standard document in development in the ISO/IEC JTC1/SC25 WG3. The ISO/IEC DTS 29125 Amendment 1 is of interest to the study group and we would appreciate if the latest draft could be made available to our working group for review and study.

Thank you for your consideration.

Sincerely,
David Law
Chair, IEEE 802.3 Ethernet Working Group
