

Proposed Rules Revision 1-11/98

4.2 Formation

A SG is formed when enough interest has been identified for a particular area of study within the scope of WG 802.3. The first step in the process is a call for interest. This can be made at the WG 802.3 opening plenary by any member or observer. A 802.3 SG can then be initiated by vote of the 802.3 WG and must be approved by the 802 EC. During this approval process the 802 EC decides whether a SG is within the scope

Rational for Proposed Rules

Revision #11/98-1

The revision clarifies the requirements to be able to make a call for interest. Specifically it clarifies that:

- 1) the request to make a call for interest has to be made to the WG Chair,
- 2) the request has to be made with sufficient notice so that it can be added to the outline agenda, specifically 35 days in advance.

In addition the revision restricts that a call for interest can only be made by a Working Group member. This ensures the support and advice of at least one Working Group member.
