

Rules Revision 3-11/00

Rational for Rules Revision

Section 3.3.2 states that "All TF meetings are open to members and observers". Members and observers of what, 802.3? This needs to be stated explicitly.

Revision

3.3.2 Meetings and Participation

All TF meetings are open ~~to members and observers~~. Attention is however drawn to the registration requirements for all 802.3 members and observers attending the 802 Plenary where TF meetings also occur.
