- 4.6, move from Secretary to WG Chair:
 - Creating and maintaining the participant list, referred to in subclause 4.6, and submitting it to the Standards Committee (or SCC) Secretary annually, or assigning a designee to perform this duty.
- 1. Introduction
 - These Policies and Procedures (P&P) outline the orderly transaction of standards activities of the IEEE 802 Local Area Network/Metropolitan Area Network (LAN/MAN) Standards Committee all Working Groups and Technical Advisory Groups, hereinafter referred to as “the Working Group.”

6.2 Executive Session additions

The matters discussed in Executive Session are confidential, and therefore, attendance at the Executive Session shall be limited to the officers of the Working Group, officers of the Standards Committee, officers of the technical group that established the Standards Committee, members of the IEEE SASB or IEEE SA Board of Governors unless they have a conflict of interest with respect to a matter to be discussed in Executive Session, in which case they may not attend until discussion of the matter is concluded; outside advisors (e.g., lawyers or consultants) where necessary to provide professional guidance, and select IEEE SA staff who may have information or a perspective relevant to the subject matter discussed in Executive Session. Persons who are determined to have a conflict of interest and other individuals may be invited to the Executive Session to provide pertinent information and then excused prior to any discussions or decisions. In each case, except as authorized by the Working Group, participants in an Executive Session are prohibited from discussing or disclosing any information presented and discussed during such Executive Session to a third party or other person not present during the Executive Session, and shall not continue to discuss such matters after the Executive Session has adjourned.

6.2 Executive Session additions (cont.)

Executive Sessions should be conducted face-to-face (in person) to provide the greatest assurance that the content of such Executive Sessions will be kept confidential. However, when necessary, Executive Sessions may include participants who participate by teleconference provided such persons agree not to disclose any information so discussed, and agree that they will participate in such conference in a manner that does not result in third parties gaining access to such discussions or information.

6.3 ~~Meeting~~Session Fees

The Working Group, or meeting host, may charge a ~~meeting~~session fee to cover services needed for the conduct of the ~~meeting~~session. The fee shall not be used to restrict participation by any interested parties.

The Working Group Officers shall set the ~~meeting~~session fees in consultation with those planning a particular meeting.

Everyone who attends a meeting, except for those for whom the fee has been waived, shall pay the meeting fee.

For plenary sessions, the Standards Committee determines which individuals will have the meeting fee waived. For interim sessions, the Executive Committee of the Working Group or the Joint Executive Committee of the Working Groups responsible for the session determine the individuals for which the meeting fee will be waived.

Add to definitions

Session – A collection of meetings over a specified time period as declared by the governing authority. Note that this definition does not apply to an Executive Session, which is defined in 6.2.

Plenary Session – A set of meetings over a specified time period as declared by the Standards Committee chair. Typically, all Working Groups of the Standards Committee meet during a Plenary Session.

Interim Session – A set of meetings over a specified time period as declared by the Working Group chair.

7.1 Approval of an Action

- Edited non-modifiable to be three-quarters
- Items to add?
 - Approval of change of the Working Group scope *
 - Any matter regarding the establishment or modification of a PAR or that would make a non-editorial change to a draft standard (or split into two items)
 - Initiate officer elections other than at the first plenary session of even numbered years.
 - Adoption of an Operations Manual or revisions thereof
 - Formation of a subgroup (with the exception of a study group or industry connections activity) including its procedures, scope, and duties
 - Disbandment of a subgroup when no other provisions to disband are in place or prior to its completion
 - Any other technical matter not defined elsewhere in this document
- * Item requires approval of the IEEE 802 LMSC to take effect

7.2 Voting between meetings

~~At discretion of the Chair, the~~ The Working Group Chair shall ~~be allowed to~~ conduct votes authorized by the Working Group in a timely fashion. The Working Group Chair may conduct votes between meetings by the use of a letter or electronic ballot. If such actions are to be taken, they shall follow the rules of ~~IEEE Bylaw I-300.4(5)~~ IEEE Bylaw I-300.4(5) (paragraph 2).

For Working Groups within the IEEE Standards Association, unless a more restrictive requirement is specified in the governing documents of the Working Group, majority consent of those participating, provided a majority of the voting members of the Working Group respond, shall be required to approve an action taken without a meeting. The action and written confirmations shall be filed with the minutes of the Working Group.

8. External Requests for Information

~~Formal inquiries~~ All external requests for information relating to the Working Group should be directed to the Chair and recorded by the Secretary. All replies to such inquiries shall be made through the Chair, unless otherwise specified by IEEE SA. These communications shall make it clear that they are responses from the Working Group. Informal communications shall not imply that they are a formal position of the IEEE, the IEEE SA, the Standards Committee, or the Working Group. Communications shall be in compliance with the ~~Sponsor's~~ Standards Committee's communication requirements.

13. Revision of the P&P

- Carried over a few mistakes. The following needs to change as shown:

~~A vote to approve revisions shall only be taken at a plenary session.~~ If approved, revisions become effective at the end of the Standards Committee meeting plenary session where the vote was taken or when the final result of the Standards Committee electronic Ballot is announced by the Standards Committee Chair or designee.

- I will fix and post in v10.

14. Procedure for Establishing a Directed Position

- Text is copied form OM
- Need to change “IEEE 802 LMSC” to “Standards Committee” to be consistent
- Change 75% to be “a Directed Position motion (three-quarters approval required, as defined in 7.1)
- Other edits?
- Text follows

14. Directed Position (1)

- Members of the Standards Committee have a responsibility to act in the best interest of the Standards Committee as a whole. Working Group Chairs have a responsibility to represent their Working Groups on the Standards Committee. At times these responsibilities are in conflict with each other.
- Decisions of a Working Group may be of such a nature that the Working Group members deem it necessary to “direct” the Working Group Chair to vote a specific way on Standards Committee motions related to a Working Group decision. When directed, through the process described below, the Working Group Chair shall vote as mandated by the Working Group resolution for the specified subject on any formal vote(s) in the Standards Committee. It would be anticipated that the use of a directed (i.e., instructed) vote is an exceptional situation and hence used infrequently, e.g., critical PAR votes, formation of new Working Groups and PAR Study Groups.

14. Directed Position (2)

- Working Group developed positions are not to be considered as automatic Directed Positions. After a Working Group motion has been passed that establishes the Working Group's position, a separate Directed Position motion (three-quarters approval required, as defined in 6.1) is required to make that Working Group position a Directed Position. A Directed Position motion applies only to a specific, bounded, Working Group issue that is to be brought before the Standards Committee. Directed Position motions may not be combined, nor may any procedure be adopted that diminishes the extraordinary nature of establishing a Directed Position.

- The Working Group Chair, however, has the freedom to express other views in an attempt to persuade members of the Standards Committee to consider them, however, such views shall be identified as distinct from and not the formal Working Group Directed Position. The Working Group Chair is required to disclose to the Working Group Chair's intent to offer a position contrary to a Directed Position. When presenting a Directed Position to the Standards Committee, the Working Group Chair is obligated to present and support the Working Group's Directed Position motion with voting results, along with pros and cons behind the motion.

Items for August 10 Call

Agenda for 10 August 2021

- Discuss updates for meetings/session
- Review membership text
- The rest of the P&P, clause 7 and on.

Clause 4 and subclauses

- Capitalize:
 - Credited Attendance – 75% attendance at a meeting
 - Session Attendance Credit – 75% of meetings at a session
 - Home Group – used for reciprocal credit
 - Target Group – used for reciprocal credit

4.2 Attendance at Meetings

Working Group membership is by individual. Those attending ~~meetingssessions~~ shall pay any required ~~meetingsession~~ fees if established. Participants seeking Working Group membership are responsible for fulfilling the requirements to gain and maintain membership.

All persons that achieve ~~session-attendance-credit~~Credited Attendance for at least 75% of the meeting slots for the initial session of a Working Group become members of the Working Group. Thereafter, membership in a Working Group is established by achieving ~~session-attendance-credit~~Credited Attendance in at least 75% of the meeting slots at the sessions of the Working Group for two out of the last four plenary sessions; one ~~duly-constituted~~credited recent interim Working Group or Task Group session may be substituted for one of the two plenary sessions required to establish membership. A recent interim is any of the interims after the first of the four most recent plenaries. A ~~duly-constituted~~credited interim session (an interim session with attendance credit) is a one that has been declared by the Working Group Chair ~~to-be-an-interim-Working~~or Technical Advisory Group ~~or-Task-Group-session~~Chair.

Membership may be declared at the discretion of the Working Group Chair (e.g., for contributors by correspondence or other significant contributions to the Working Group). The Working Group Chair may authorize ~~meeting-attendance-credit~~Credited Attendance for individuals while on activities approved by the Working Group Chair.

Discussion on 4.2

- Do we add a definition for credited recent interim session?
- Those attending a session ...
- A credited interim session (an interim session with attendance credit) is a one that has been declared as such by the Working Group Chair or Technical Advisory Group Chair.
- one recent Credited Interim Session of a Working Group or Task Group may be substituted for one of the two plenary sessions required to establish membership. A

4.2.1 Requirements to Maintain Voting Membership

A ~~home-group~~Home Group is a Working Group or TAG in which a person is a member (i.e., has voting rights). A ~~target-group~~Target Group is a Working Group or TAG in which the person is attending and the Working Group Chair of the ~~home-group~~Home Group has approved as ~~target-group~~Target Group. Maintaining credit is ~~meeting-participation~~creditCredited Attendance that is registered in the ~~home-group~~Home Group while the person is attending a meeting in the ~~target-group~~Target Group.

A voting member's obligation to respond to Working Group letter ballots (in which they are eligible to vote) is in addition to their obligation to attend Working Group ~~meeting~~sessions.

A Letter Ballot Series is the initial ballot plus any recirculation letter ballots on that question.

A voting member that fails to return 2 of the last 3 Working Group letter ~~ballots, excepting recirculation letter ballots,~~ballot series in which they are eligible to vote ~~becomes a non-voting member.lose membership.~~ Their previous ~~session-attendance-credit~~Session Attendance Credits do not count towards regaining voting membership.

If a Working Group letter ballot closes within 14 days ~~of~~prior to a ~~meeting~~session, any changes to voting membership resulting from the ballot shall be delayed until ~~after~~ the ~~meeting~~end of that session.

Discussion on 4.2.1

- “loses membership” (plural)
- Change initial voting membership sentence to be “Voting membership shall be granted, upon request, to those participants attending the first meeting of a newly chartered Working Group or Technical Advisory Group.”

4.6 Working Group Participant List

A copy of the Working Group participant list shall be supplied to the IEEE SA at least annually by a Working Group officer or designee and shall not be stored on any personal or work-related electronic devices, except temporarily when required to edit or update the list. A copy of the Working Group Participant List may be stored on an IEEE-

All Working Group members are required to reviewupdate their information contained infor the participant list during or following each meeting they attend. If a Working Group meets only virtually,any time it shall determine a schedule to check the accuracy of the participant list periodicallychanges. Inactive participants should be removed from the participant list after three years.

Discussion on 4.6

- Any time it → any time the participant's information
- Add TAG to WG in notifying changes.
- The Secretary shall maintain → The Working Group Chair or designee shall maintain (remove from secretarial duties).

6.3 ~~Meeting~~Session Fees

The Working Group, or meeting host, may charge a ~~meeting~~session fee to cover services needed for the conduct of the ~~meeting~~session. The fee shall not be used to restrict participation by any interested parties.

The Working Group Officers shall set the ~~meeting~~session fees in consultation with those planning a particular meeting.

Everyone who attends a meeting, except for those for whom the fee has been waived, shall pay the meeting fee.

~~For plenary sessions, the Standards Committee~~

8.2 Voting between meetings

~~At discretion of the Chair, the~~ The Working Group Chair shall ~~be allowed to~~ conduct votes authorized by the Working Group in a timely fashion. The Working Group Chair may conduct votes between meetings by the use of a letter or electronic ballot. If such actions are to be taken, they shall follow the rules of ~~IEEE Bylaw I-300.4(5)~~ IEEE Bylaw I-300.4(5) (paragraph 2).

Items for August 3 Call

Agenda

- Review participation information
- WG P&P Update
 - Proposed is ec-18-0104-09
 - Comparison with current is ec-21-0183-00
- Any other business

Various updates

- 3.2 Term Limits: “An officer should serve no more than two consecutive terms ...”
- 3.5.5 Open Source Project Lead
 - I marked this not applicable, we can revise this if such a project does arise or put it in now just in case.
- Add to 4.2 Voting Membership
 - A “Credited Interim Session” (an interim session with attendance credit) is one that has been declared as such by the Working Group or Technical Advisory Group Chair.

- "meetings" should be "session" in 4.2.1's "A voting member's obligation to respond to Working Group letter ballots (in which they are eligible to vote) is in addition to their obligation to attend Working Group meetings."
- "session" was meant to be plural. Sorry. Another one in 4.2 where presumably "meetings" should be "session[s]" (regardless of 6.3 being entitled "Meeting Fees" - should probably be "Session Fees"): "Those attending meetings shall pay any required meeting fees if established. "10:34

Comment #3

- Except for 6.3 and potentially 11-14 (which I haven't reviewed yet), it seems the only other occurrences of concern re "meeting" vs "session" is in 4.2.1's "If a Working Group letter ballot closes within 14 days of a meeting, any changes to voting membership resulting from the ballot shall be delayed until after the meeting"

Updates to 3.4 Removal of Officers

This clause may be modified, but shall include an opportunity for rebuttal by the officer suggested for removal.

An officer may be removed by a two-thirds vote of the voting members of the Working Group meeting in Executive Session. The meeting shall not be Chaired by the officer suggested for removal. Grounds for removal shall be included in any motion to remove an officer of the Working Group. The officer suggested for removal shall be given an opportunity to make a rebuttal during the

Various updates to clause 4

- Add to 4.2 Voting Membership
 - A duly constituted interim session is a one that has been declared by the Working Group Chair to be an interim Working Group or Task Group session.
- 4.2 – Definitions of participant, attendee and member have been deleted (defined in 1.5)
- 4.2 – Participation credit text has been moved to 4.1
- 4.2.1 “Their ~~existing attendances~~ previous session attendance credit do not count towards regaining voting membership.”

Loss moved to Retention

- Wording is slightly different, now says

Persons who do not retain membership by session attendance credit, lose membership, but this does not cause the loss of previous session attendance credit.

A voting member's obligation to respond to Working Group letter ballots (in which they are eligible to vote) is in addition to their obligation to attend Working Group meetings.

A voting member that fails to provide a valid response to 2 out of 3 consecutive mandatory Working Group letter

Updates to 4.4 Review of Membership

The clause may be modified. Text in brackets may be removed. Remove the brackets around text that is retained.

Membership privileges may be lost through persistent violation of the fundamental principles of standards development or disregard of standards of conduct (see Clause 1 of these P&P).

The Chair shall review the list of voting members at least annually. Voting members are expected to fulfill the obligations requirements of active participation as defined

4.6 Working Group Participant List

- 4.6 “Membership Roster” → “Participant List”
 - More text added about indemnification
 - Secretary is now responsible for list – Change to “The Working Group Chair is responsible to maintain a current Working Group participant list.”
 - Reminder not to distribute list.
- Change last paragraph to:

All Working Group members are required to update their information for the participant list any time it changes.

Additions from new baseline

- Added by SA to 6. Meetings
 - Participants shall be asked to state their employer and affiliation at each Working Group meeting as required by the IEEE SA Standards Board Operations Manual clause on “Disclosure of affiliation.”
- Added by SA to 6.4 Minutes
 - Minutes shall be published to meeting attendees within 60 calendar days of the end of the meeting.
 - Minutes shall be published to session meeting attendees within 60 calendar days of the end of the session.

6.1 Quorum

- We can define quorum for > 50 members to be above 10%. do we want 50%?

... When the voting membership is fewer than 50 voting members, a quorum shall be defined as a majority of the current total voting membership. When the voting membership is 50 or more voting members, a quorum shall be defined as 50% of the current total voting membership or 26 whichever is greater. Voting members who recuse themselves shall not be counted in the equation to determine whether a quorum exists.

6.2 Executive Session additions

The matters discussed in Executive Session are confidential, and therefore, attendance at the Executive Session shall be limited to the officers of the Working Group, officers of the Standards Committee, officers of the technical group that established the Standards Committee, members of the IEEE SASB or IEEE SA Board of Governors unless they have a conflict of interest with respect to a matter to be discussed in Executive Session, in which case they may not attend until discussion of the matter is concluded; outside advisors

(e.g., lawyers or consultants) where necessary to provide

6.2 Executive Session additions (cont.)

Executive Sessions should be conducted face-to-face (in person) to provide the greatest assurance that the content of such Executive Sessions will be kept confidential. However, when necessary, Executive Sessions may include participants who participate by teleconference provided such persons agree not to disclose any information so discussed, and agree that they will participate in such conference in a manner that does not result in third parties gaining access to such discussions or information.

6.3 Meeting Fees (additions)

The Working Group Officers shall set the meeting fees in consultation with those planning a particular meeting.

Everyone who attends a meeting, except for those for whom the fee has been waived, shall pay the meeting fee.

For plenary sessions, the Standards Committee determines which individuals will have the meeting fee waived. For interim sessions, the Executive Committee of the Working Group or the Joint Executive Committee of the Working Groups responsible for the session determine the individuals for which the meeting fee will be waived.

7.1 Approval of an Action

- Edited non-modifiable to be three-fourths (should this be three-quarters?)
- Items to add?
 - Approval of change of the ~~meeting~~ Working Group scope *
 - Any matter regarding the establishment or modification of a PAR or that would make a non-editorial change to a draft standard (or split into two items)
 - Initiate officer elections other than at the first plenary session of even numbered years.

8.2 Voting between meetings

~~At discretion of the Chair, the~~ The Working Group Chair shall ~~be allowed to~~ conduct votes authorized by the Working Group in a timely fashion. The Working Group Chair may conduct votes between meetings by the use of a letter or electronic ballot. If such actions are to be taken, they shall follow the rules of ~~IEEE Bylaw I-300.4(5)~~ IEEE Bylaw I-300.4(5) (paragraph 2).

For Working Groups within the IEEE Standards Association, unless a more restrictive requirement is specified in the governing documents of the Working

Group, majority consent of those participating, provided a

9. External Requests for Information

~~Formal inquiries~~ All external requests for information relating to the Working Group should be directed to the Chair and recorded by the Secretary. All replies to such inquiries shall be made through the Chair, unless otherwise specified by IEEE SA. These communications shall make it clear that they are responses from the Working Group. Informal communications shall not imply that they are a formal position of the IEEE, the IEEE SA, the Standards Committee, or the Working Group. Communications shall be in compliance with the ~~Sponsor's~~ Standards Committee's communication

13. Revision of the P&P

- Carried over a few mistakes. The following needs to change as shown:

~~A vote to approve revisions shall only be taken at a plenary session.~~ If approved, revisions become effective at the end of the Standards Committee meeting plenary session where the vote was taken or when the final result of the Standards Committee electronic Ballot is announced by the Standards Committee Chair or designee.

- I will fix and post in v10.

- Text is copied form OM
- Need to change “IEEE 802 LMSC” to “Standards Committee” to be consistent
- Change 75% to be three-quarter (or three-fourths)
 - Add to 3/4 section of voting?
